

CIVIL' IANS

Guest lecture on safety in construction is delivered by Dr VV KUMAR, Principal, Osmania College of Engineering.

Visit of Jose Nallapu

Mr Jose J. Nallapu, distinguished alumni of our department during the period 2002-06 has given a lecture on 2nd December on 'Data comparison study on falling weight Deflectometer'

Visit of Prathima Rayalu

Ms Prathima Rayalu, distinguished alumni from our department visited the college on 2nd December, and delivered a lecture on 'Prospects for students pursuing construction management course at NICMAR'.

The department witnessed hectic activities in this quarter on account of Engineers day celebrations on September 15th and on the occasion of VRSOSA meet on 24th December. Old students of 30 members (1985-89 batch) gathered in the department to share their memories with the faculty of the department on 27th December, on the occasion of their golden jubilee year. They actively interacted with faculty and students of the department. Many of them reached good positions in their chosen field. All senior faculty like Dr BPR, Dr CS, Dr NRK and Dr MVSR who taught them, socialized with them and blessed the alumni.

During the period the department has organised several guest lectures also. Our team of faculty is strengthened by the joining of Mr Sajja Satish, Mr Ch BV Hareen, Mr Ch. Raviteja and Sri P. Ramachandra Rao.

Visit of Dr Shaukat Ali Mirza

Dr Shaukat Ali Mirza, chairman, visited the department and briefed the students about 'Engineers Without Borders' organisation. He motivated the students about the importance of social work.

As part of industry institute interaction, the senior faculty from the department Dr BPR, Dr NRK and Dr CS attended the CREDAI meeting on 19th December and discussed the issues related to quality of civil engineering structures, foundation issues and good construction practices.

department Mr Venkatesh, secured admission into Ph.D at NIT, Warangal and Mr EV Prasad secured admission into M.Tech at NIT, Rourkela. We congratulate them and wish them good luck.

During this period the 13th batch M.Tech students successfully completed their thesis work. All the thesis works are plagiarism checked. About 10 students from this batch secured placements with a pay of around 23000/month. We congratulate them.

We also welcome the fresh batch (15th) M.Tech students. The final year students are appearing for GATE competitive examination in few days time. The faculty wishes them good luck.
