## Faculty Participations and activities:

Dr. Chava Srinivas, Professor and Head of Department visited BMS College of Engineering Bangalore where there was a presentation by Robert D. Stevens, President, ASCE on "Vision 20-20 Smart Cities & Sustainable infrastructure on 12th March 2015.

Sri V. Ramesh, Sri Ch.B.V. Hareen attended winter school on "Recent Advancements in Structural Engineering and Materials" on 14th and 15th January

## Awards:

In this Quarter our Final Year student Kolli Mohan Krishna has received a prestigious Yarlagadda Sriramulu Memorial Award

## Guest Lecture by Dr.ARC Murthy:

On 3rd March of 2015 a guest lecture has been delivered by Dr. A.R.C Murthy from reputed organization CSIR-Structural Engineering Research Center, Chennai on "Fracture Mechanics" which is very useful for our Post Graduate Students of Structural Engineering

We've given hearty farewell to our final year students and wishing them good luck in their future

Our deep condolences to the students of final year who passed away in this period. May J. Rajesh, V. Srikanth, B. lalubabu Rest In Peace

## Workshop on White cement in constructions:

Department has conducted various workshops in this quarter one is about the Workshop on "Applications of White Cement in Constructions & Good Construction Practices in concrete structures" on Feb 23rd 2015, the Morning session of the workshop was presented by Mr. V.B. Nijam-Pure, Mr. D. Philip Sukumar from JK Cements and the afternoon session was presented by Sri. SACM Srinivas, Mr. K. Babu Mahesh from JAY-PEE Cements.

## Workshop on Applications of Special Concretes in Structural Elements:

Also a two day workshop on "Applications of Special Concretes in Structural Elements" on 26th and 27th March, on the first day the workshop was presented by prestigious faculty of IIT Madras Dr. G. Apparao, Professor, Dept. of Civil Engineering and the second day of the workshop has been carried out by Mr. Amit Vyas, Asst. Manager, BASF and Mr. P.Chakravarthi, BOSCH

## Guest lecture by Sri A.C. Santhosh:

Another Guest Lecture on "Special Concretes and Case studies" has delivered by Shri. A.C. Santhosh, Manager, Construction System, BASF

Various Events had been conducted in the department here below are the few glimpses of the events that occurred during the Annual Festival of Siddhartha Engineering College

Various Events have been conducted during the event majority of the events are cultural and during this Annual day many prize distributions for Education, co-curricular and extra curricular activities has been done by esteemed faculty of the college

On the Occasion of sports day many inter college competitions in cricket, volley ball and many other outdoor and indoor games as well are conducted and our department has won prizes in Cricket and the post graduate students of structural Engineering has secured 2nd prize in volley ball competition.

Along with Students many other faculty also took place in these various events that are conducted during the sports day and some of them has secured prizes in Badminton etc.

Inauguration of Workshop on white cement

On the occasion of AFOSEC( Annual Festival of Siddhartha Engineering College) students have participated in many events such as paper presentations, poster presentations, model presentations and some of them secured prizes during the two day fest.

Model konark temple exhibited by II/IV B.Tech students
