Felistration for design and quality control for DGP Office

NO VEHICLE DAY

Department of Civil Engineering in association with Engineers Without Borders (India) - VRSEC student chapter initiated an event NO VEHICLE DAY on this day once in a month faculty and students will use public transportation. By using public transport we can reduce the use of natural resources and reduce pollution and also creates awareness among the faculty and students. It received good response from faculty and students.

Dr. Chava Srinivas (Head of the department) entering college by walk
