

CIVIL' IANS

Guest Lecture was delivered on How to crack GATE, IES & PSUs in first attempt by Dr. Y.V. Gopala Krishnamurthy, CMD, ACE Engineering academy on 9th January 2019

Guest Lecture was delivered on Good Construction Practices with Case Studies by Dr. DSR. Murthy, Professor, Andhra University on 22nd Jan 2019

Training Program on ARC GIS for Civil Engineering faculty was organized, where Ms. Prasanna, ESRI, India visited and trained our faculty

CERTIFICATE COURSE ON STUDENTS INDUSTRY INTERFACE

Zuari Cements organized a mutually beneficial activity for Industry and Academia in our department where students presented on various topics. The resource persons for the event are Sri. T.K. Viswanath, Assistant General Manager, Marketing, Zuari Cements & Sri. P. Saibabu, General Manager, Technical Services, Zuari Cements on 25th February 2019

One day Workshop on Concrete Mix Design Using IS 10262:2019

Department organized an one day workshop on concrete mix design using IS 10262:2019 as it is the revised code book for design and students will get awareness of the changes in that code. Resource person for the event is Sri. L. Venkatraman, Ultratech Cements

Mix design showcase to final year students by Sri. Venkatraman

Field visit to polavaram for 3/4 B.Tech students

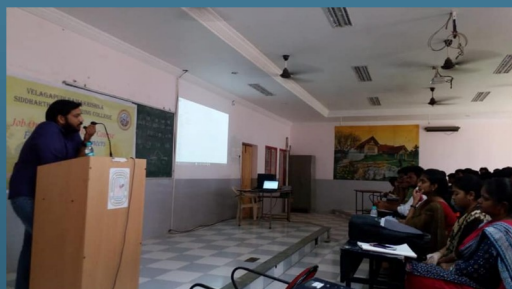

Training Program on Total Station to final Year students by M. Tej sai, Assistant Professor where students were trained in total station as part of job oriented certificate course

Sri. P. Chakravarthy, Bosch Dealership Manager has discussed about the selection of tools and various fixing technologies required for civil engineering.

Sri. K. Gowtham Kumar, Shapoorji Paaloonji Ltd. has explained about the various types of Scaffolding and form work used for various structures and also trained our students in MS Project which is useful in project planning.

JOB ORIENTED CERTIFICATE COURSE:

Every year department organizes Job Oriented Certificate Course as a tradition which helps students to be better suitable for industry. This year this course is organized from 11th Feb 2019 to 10th March 2019. The main objective of this course is to acquire knowledge on practical field construction methods and problems in present day construction, differentiating theoretical and practical knowledge about the good construction practices and current trends for final year students.

Many resource persons from industry were invited to train our students and students interacted positively with the experts.

Sri. K. Babu Mahesh from Ultratech Pvt. Ltd. has explained about the crack resistant structures and has discussed about the common Civil Engineering mistakes in the field

Guest Lecture on Vasthu Sashthra for Building Construction was organized on 15th March 2019 where Prof. Kodali Srinivas, HOD, Civil Engineering Department, Kallam Haranatha Reddy Institute of Engineering & Technology

Sri. Nagaraju from National Academy of Construction discussed regarding the alignment of pipelines and type of pipelines used in drainage works.

Sri. Uma charan from BASF Chemicals has explained various admixtures and innovative alternative materials used for mixing of concrete.

Sri. Lakshmi Narayana and Sri. Ravindra babu from APEWIDC addressed the participants regarding the problems associated with practical procedures.

Dr Kamlesh K Jain - Rtd Dy Director & Head, NPL addressed the students on Quality Control and Quality Assurance techniques used in field

Field visit to high-court

Valedictory function for Job Oriented Certificate course was organized on **16th March 2019**, for which **Sri. Dasari Rambabu, General Secretary** and **Sri. M. Subbarao, EC Member, CREDAI** were invited as dignitaries and certificates were distributed to the participants

Guest Lecture was organized on Project Planning & Cost Control in Infra Projects where Sri. Nazarvali Shark, Head Tendering, BGR Energy Systems Ltd. Chennai visited and delivered lecture on 23rd March 2019

Guest Lecture on Ground Water depletion in Krishna region was organized on 28th Feb 2019 where sri. Anjaneyulu Retd. Deputy Director, GWD delivered lecture

Road Safety Workshop was organized in the department where awareness was created among students and to follow traffic guideless and safety measures and pledge was taken on 4th—10th Feb 2019 and as resource person Sri. Anil Dixit, Regional Manager, NHAI was invited

ENGINEERS WITHOUT BORDERS MEET

Engineers Without Borders organized a seminar on Role of Engineers in the society, how an Engineer can help others to achieve great heights. The seminar was organized on 2nd March 2019 open to all the departments, many students participated with lot of enthusiasm and lot of new students registered for EWB-VRSEC Student chapter. The Resource person for this event is Dr. Shaikat Ali Mirza, former-chairmen, EWB-India

ALUMNI ENTREPRENEURS DAY—JAN 25th 2019

Department organized an Alumni Entrepreneurs Day on 25th Jan 2019, where the alumni who were in business field were invited and students were allowed to interact with them. Many of our distinguished alumni attended the program. Main aim of the program is to find out the industry requirements and improve the placements of our students in Industry.

Guest Lecture was organized on Concrete from Grey to Green by Dr. Rajesh Kumar, NIT Warangal on 12th Feb 2019

Guest lecture on Most Important Graph In the World by Dr. M. Rama Rao, Professor and Head, RVR & JC Engineering College on 7th Feb 2019
