V R SIDDHARTHA ENGINEERING COLLEGE

(Autonomous)

VIJAYAWADA-520007

Association of Civil Engineering Students

Academic Year 2019-20

Association of Civil Engineering students (ACES) is the student body in the department of civil engineering formed for the purpose of benefitting students in improving their curricular and extracurricular skills. In ACES there are various platforms for students to improve their interested areas

Objectives:

- To provide a vibrant platform for knowledge sharing
- To promote educational activities towards civil engineering
- To bring together students and areas of Engineering and Research
- To promote models by encouraging students to create existing or new prototypes
- To Enable student – Student, Student – Faculty Interaction

Student Body Representatives

ACES Representatives:

4/4 B.Tech	-	Section A	-	A. Archita, Murali krishna
		Section B	-	B. Siva Kumra, V. Nimisha
		Section C	-	Phani Kumar, Shiney
