IGBC Activities Report from 2018-19 to 2020-21

serialno	Date of event	Place	Event name	outcome
1	26-08-2018	V.R.Siddhartha Engineering college	World green building week-essay writing competition	Green Buildings and importance of green buildings, necessity for usage of green materials during construction
2	30-8-2018	V.R.Siddhartha Engineering college	World green building week-signature campaign	Promise for green initiatives
3	05-03-2019	V.R.Siddhartha Engineering college	Awareness Programme on minimization on single plastic use	<ul style="list-style-type: none">• Providing basic education on reduce, reuse and recycle of wastes.• Conducted awareness in the class room's dangers and use of plastic.• Encouraged students to buy environmentally friendly products for daily use and recyclable plastic
4	07-09-2019	HICC center,hyderabad	participation in IGL	promotes green building movement and given focused training on IGBC rating and Green concepts
4	26-09-2019 to28-09-2019	HICC center,hyderabad	participation in Indian green building congress 2019	Exhibition Green certified building materials and sustainable construction techniques
5	05-06-2019	V.R.Siddhartha Engineering college	awareness on 3R's mantra and to reduce plastic usage is conducted	Reduce the amount of non-recyclable waste(plastic waste) produce. Reuse items as much as you can before replacing them. Recycle items wherever possible

6	05-06-2020	V.R.Siddhartha Engineering college	detabe was organised on "Bio-Diversity-How To Preserve"	Awareness about bio diversity and sharing views
7	11-02-2021	webinar	Guest Lecture On Green Building Design: Net Zero Buildings-An Overview And True Impact	Awareness on net zero energy buildings and green ratings
8	19-06-2021	webinar	Future sustainable buildings-integrated design approach	Awareness on green buildings and practices. BIM MEP solutions and sustainability design
