REPORT ON CAREER LAUNCH A JOB ORIENTED CERTIFICATE COURSE (A.Y 2021-22)

Title of the program: Job oriented certificate course

Organized by : Department of civil Engineering

Organized on : 17.03.2022 to 13.04.2022

Programme Co-Coordinator:

Sri A.Dattatreya kumar ,Asst professor

Smt T.Sujatha, Asst professor

Sri Khaja sameer Asst professor

Department of Civil Engineering

V R Siddhartha Engineering College ,VJA-07

Objective of the Work shop:

The objective of this job oriented certificate course is to impart knowledge on practical field construction methods and problems in present day construction .This training is meant for final year Civil engineering students who wish to join job after their graduation. Experts from industry are invited as resource persons having vast experience in the field of repairs and rehabilitation of structures and structural designers from Transcendence, Vijayawada and also VRSEC internal faculty who are having industrial experience in construction

Resource persons:

S.No	Name of the industry person	Designation	Name of the industry
1	Mr Babu Mahesh	Consulting Engineer	Consultant and ex-technical engineer Ultra tech cements ltd
2	Smt Pratusha	Structural team Lead	Transcendence –Consultant engineer
	Name of the Faculty	Designation	Name of the college
1	Dr.B Pandurangarao ,	Dean,Professor	Civil engineering dept-VRSEC
2	Dr Chava.Srinivas	Professor, HOD	Civil engineering dept-VRSEC
3	Dr KSR Prasad	Professor	Civil engineering dept-VRSEC
4	Dr G V Rama subbarao	Assosiate professor	Civil engineering dept-VRSEC

5	B Venkata rao	Assistant professor	Civil engineering dept-VRSEC
6	A Dattatreya kumar	Assistant professor	Civil engineering dept-VRSEC
7	G Nipun/A. Dattatreya	Assistant professor	Civil engineering dept-VRSEC
8	G Yeswanth	Assistant professor	Civil engineering dept-VRSEC
9	M Tej sai	Assistant professor	Civil engineering dept-VRSEC
10	Haroon Alikhan	Assistant professor	Civil engineering dept-VRSEC

Brief Report on Work shop:

- Mr K.Babu Mahesh has explained about the failure of buildings due to improper maintenance , lack of material quality and poor constructions methods and how to repair and rehabilitate these buildings.
- Mrs Pratusha has explained the structural designs and detailing of various structural components of VIVAN project at New auto nagar Vijayawada
- Dr.B Pandurangarao , Dean,Professor ,vrsec motivated the students and imparted professional ethics among the outgoing students
- Dr Chava Srinivas,professor and HOD,civil engg dept,vrsec explained the procedure for preparing a TENDER
- Dr K S R Prasad, Professor,vrsec and Training and placement co coordinator of the department has explained various job opportunities in construction industry
- Dr G V Ramasubbarao, associate professor,vrsec has explained about various types foundations on Rock strata and various types of soils
- Mr B Venkata rao,A ssistant Professor ,vrsec has explained the impotence and design of Pre engineered structures
- Mr G yeswanth Assistant Professor ,vrsec trained the students structural Design of a multi storied building by STAAD in a practical manner
- Mr A.Dattatreya kumar , A ssistant Professor ,vrsec has given prcactical training of estimation of abuilding

- Dr K.Hanuma ,Assistant professor,vrsec has given REVIT three dimensional drawing practice of a multistoried building
- Mr M.Tej sai ,Assistant professor,vrsec has given Training in TOTAL STATION Surveying
- Dr G V Ramasubbarao,Assistant professor, given training for various tests in soil laboratory
- Mr B Venkarao has explained various tests conducted in strength of material lab
- Mr G.Nipun Assistant Professor ,vrsec has explained destructive and non destructive tests in concrete lab
- Mr Ali khan , Assistant Professor ,vrsec has given practical training in the field about marking of a residential building original plan on ground

Targeted group:

Participants in the job oriented course are students from VRSEC

Number of Participants :(Total :24)

Workshop Outcome:

Students undergone qualitative training in labs and Students gain knowledge about the various opportunities in different field of practice, failure of structures and pavements due to various reasons, innovative materials, and current techniques and also about the good construction practices.

Feed Back:

- Feed back is taken on the contents ,about the laboratory training , topics in the sessions and resource persons
- Feedback forms were distributed and collected at the end of the day.
- Received good feedback about the course.
