Dear Senior Student,
<u>**Batch: 20xx-20xx**</u>

We need your help in evaluating our program by answering the short survey below. Your feedback is very valuable for us in order to continually improve our program. The aim of this survey is to evaluate how well our ECE program has prepared you to have necessary skills during your graduation. Your responses will be kept confidential and will not be released to anyone outside the Department of Electronics and Communication Engineering without your permission.

1. Your Name and Roll Number:_____

2. Details of your GATE, GRE, TOEFL, CAT, GMAT, etc.., Exams Scores: _____

3. Campus Recruitment/ PG Admission details: _____

4. Please indicate the degree to which you agree with the following statements:
   (**Excellent - 5   Very Good – 4   Good – 3   Average - 2   Poor-1**)

The department of ECE, VRSEC has prepared you to have the following skills:	5	4	3	2	1
How has the programme trained you to learn and apply fundamental concepts to solve electronic engineering problems of engineering?					
Comment on your strength in identifying formulating, research literature and analyzing electronic communication related problems?					
How do you rate your potential in designing an electronic system for the given needs?					
How effectively you have used the necessary simulation tools for the design, analysis of electronic circuits and draw conclusions?					
How comfortable are you in identifying and designing an appropriate solution for an engineering problem?					
How have you participated in events related to societal issues?					
What is your understanding level of the impact of the discipline on relevant social issues?					
What is your understanding level of the impact of the discipline on relevant social issues?					
How far you are able to self-learn new tools, algorithms, and/or techniques that contribute to the solution of the given project?					
Are you able to demonstrate an ability to function effectively on teams to accomplish a common goal?					
Have you planned to continue on for Post graduate studies, either immediately or eventually?					
Have you prepared the specific timeline and sequence of activities, and use them to manage the overall project to ensure its timely completion?					

Would you like to add any information/comments regarding your skills acquired during the graduation?
_____
_____
_____

Any other comments?
