

V.R. SIDDHARTHA ENGINEERING COLLEGE

ATHISAYA CLUB

(BEYOND THE BOOK)

ATHISAYA a club that brings students together and offers them unmatched opportunities for learning, growth, and career development.

This club is an initiative of students of the Dept. of ECE, V. R. Siddhartha Engineering College. The prime focus of the club is to imbibe public speaking skills into the students. In this one can learn how to converse, interact moreover behave in a group of stuffed shirts solemnly.

Apart from these students can have fun as several events were meticulously designed so as to cover potential industry skills such as English expression (Oral & written), teamwork, organizational skills, and leadership skills such as movie **recommendations, group discussions, extempore, word/phrase of the week**, debate, picture descriptions, movie quizzes, dumb charades, stand-up comedy, sharing experiences in order to build students' self-confidence and self-efficacy which are pleasurable to watch and participate as well.

To ensure every student gets a chance to present and sharpen his/her skills, a group of 25 students is maintained. There exist several groups, and all the activities of these groups happen every day at the same time. It is planned to conduct an inter-group competition every month at the department level and an inter-departmental competition at the college level. The best performing students will be encouraged to participate in inter-college and university-level competitions. This club will enormously benefit the students to build skills to confidently appear for job interviews.

As a result, every student has an opportunity to excel in his/her career in a more intriguing manner since this club is a concoction of both Knowledge and Entertainment.
