### Report on Traditional Day

Spandana club and department of EIE celebrated the Traditional Day to promote “Unity in diversity “which is based on the concept where the individual or social differences in physical attributes, skin colour, castes, creed, cultural and religious practices, etc. are not looked upon as a conflict. Rather, these differences are looked upon as varieties that enrich the society and the nation as a whole.

Traditional Day was held on the 10<sup>th</sup> of January 2020 at the college. It was an eventful day. It was observed as a celebration of India’s diverse culture. It’s a day designated for people to come in traditional attire from their home state, or specific culture of their choice.

Students, teachers and non-teaching staff participated with great ecstasy. To make the traditional day more entertaining various interesting events were arranged for the students such as Ethnic wear competition, Free hand Rangoli, Paper Art and Carving. Everyone displayed their various cultures by dressing their best which was a colourful treat to the eyes in itself. Lots of pictures were clicked by everyone to create memories of this beautiful day. The atmosphere everywhere was of joy and celebration as from our busy schedule.
