

Resolutions:

1. Discussed the PO attainment levels and the comments made by the Course Coordinators in FCAR reports of the courses in A.Y: 2016-17 and measures to improve the attainments
2. Approved the assessment and evaluation reports of COs and POs of UG-EIE program for the academic years 2016-17
3. Based on the inputs from stake holders the existing PEOs are modified and defined in line with department vision and mission.
PEO1: Graduates excel in academic and professional career in Electronics and Instrumentation enabled industries or software industries or be an entrepreneur in the domain area.
PEO2: Graduates pursue higher education in the core or allied areas of electronics and instrumentation engineering and actively contribute to academic/R&D activities.
PEO3: Graduates exhibit professional and ethical attitudes having all-round personality to work in multi-disciplinary allied areas to be of use to the society.
4. Discussed and approved the program specific outcomes(PSOs)
PSO1. Using basic engineering principles, concepts of measurement, and sensor selection to design an industrial process.
PSO2. Apply basic knowledge related to circuits and devices for designing electronic systems to solve engineering problems.
PSO3. Demonstrate proficiency in the use of software and hardware required in industrial automation systems.
5. Discussed about VR17 regulations and scheme of instructions
6. Results of the UG Programme for the A.Y: 2016-17 have been discussed regarding the pass percentage and steps to be taken for the improvement.
 - Remedial classes to slow learners regularly
 - Industrial visits for practical exposure
 - Guest Lectures

Program Assessment Committee (PAC) Members Dt:27.06.2018

The Program Assessment Committee (PAC) consists of all the Module Coordinators as members and a Program Coordinator chairing the committee. This committee is reconstituted by the Head of the department in VR17 regulations. The courses in EIE program was grouped into three modules with the following module coordinators.

- | | | |
|-------------------------------|----------|---|
| 1. Chairman | : | Sri. P Srinivas, Assoc. Professor |
| 2. Module Coordinators | : | |
| a) Electronics | | : Sri. V. N. Prudhvi Raj, Assoc. Professor |
| b) Instrumentation | | : Smt.CSS Anupama, Assoc. Professor |
| c) Control and Automation | | : Smt. A Sumalatha, Asst. Professor |

Approved by

Dr. G. N. Swamy
Head, Dept. of EIE
