Report on Tech Symphony

Instrument Society of India (ISOI) Student chapter organized a technical event "Tech Symphony (Technical Just-a-minute)" for the students of 3/4 B TECH (EIE) to develop effective oral communication skills. This event was conducted on 02nd May 2023. Totally 18 members participated in this event where the students were given to choose one topic and speak about that for a minute.

Topics:

1. What do Engineers aim for after B.Tech?
2. Will Robots replace humans one day?
3. The one change you want to bring to Indian Education System.
4. Impact of Startup
5. Social media sites and their impacts on Students.
