

Alumni Activity Report

2023-24

- The Alumni of EIE Department organized a one day seminar on “**Paving the Way for Successful College Applications.**” on 24th Jan 2024.

Objective:

The main objective is to inculcate the overview of automation and its importance in industry to the students and provide them with a platform to work on, in the near future.

The objective of this program was to motivate the students to become a good Entrepreneur. He mainly addressed about Automation, Scope of higher education in abroad and the Applications of instrumentation in various fields.

And explained the importance of Vision, Mission and PEO's by HOD to the students and Alumni

Outcome

- Need of Automation
- Future trends in Automation
- The role of instrumentation in an industry.
- Opportunities for instrumentation engineers in and outside the state/country
- Student to become a good Entrepreneur
- Establishing an automation related company

Co-ordinators

Mrs. P.Sushma Chowdary, Asst.Prof

ALUMNI Co-Ordinator, EIE Dept

Target Audience:

Third year and Final year Students, EIE Dept

Resource Persons:

- i. YERRANAGU MURALI KRISHNA, TCS, Hyderabad
Mail Id: murali9493545555@gmail.com
Phone No: 9493545555

V.R.SIDDHARTHA ENGINEERING COLLEGE (Autonomous):: VIJAYAWADA-7
DEPARTMENT OF ELECTRONICS & INSTRUMENTATION ENGINEERING

Alumni Activity Report
2022-23

- The Department of EIE organized a guest lecture on “**Instrumentation & Control in Solar power plants**” on 23/09/2022

Objective:

- The objective of this program was to introduce the importance of Instrumentation and Control engineer in industry.
- And explained the importance of Vision, Mission and PEO's by HOD to the students and Alumni

Outcome

- Responsibilities of I & C Engineer
- Renewable and Non Renewable energy sources

Co-ordinators

Mrs. P.Sushma Chowdary, Asst.Prof
ALUMNI Co-Ordinator, EIE Dept

Target Audience:

Final year students, EIE Dept

Resource Persons:

- i. Mr. B.Sudhir Kumar, Manager, WBP Power Transmission Co. Ltd, Anatapur
