Webinar on “Motivational Session by Successful Innovator”

The Department of EIE and IIC jointly organized a webinar on “**Motivational Session by Successful Innovator**” on 31st December 2024. Mr. G. Bhanu Kiran, Director & Technical Head, Konstelec Sastra Automation, Creative Industrial Estate, Sundar Nagar, Mumbai was the resource person for this webinar. The session aims to improve students' time management skills, enabling them to balance academics and extracurricular pursuits effectively. Additionally, it fosters a collaborative mindset, encouraging students to network and collaborate with peers, mentors, and industry professionals. By broadening their perspective on societal impact, the session inspired students towards creating innovative solutions addressing real-world challenges. They also gained awareness of opportunities like hackathons, competitions, and incubation programs that support young entrepreneurs. Ultimately, the session motivated students to take initiative, build resilience, and understand that success is a journey requiring persistence, adaptability, and continuous learning. About 100 EIE students participated in this webinar. Mrs. K. Prasanti, Assistant professor, EIE coordinated this event.

Guest Lecture on “Angel Investment/VC funding Opportunity for early stage Entrepreneurs”

The Department of EIE and IIC jointly organized a Guest Lecture on “**Angel Investment/VC funding Opportunity for early stage Entrepreneurs**” on 31st August 2024. Dr.N. Ram Mohan, Rtd. Chief Manager, Asset Recovery Management Branch, Chennai was the resource person for

this webinar. Angel investment and VC funding provide early-stage entrepreneurs with crucial capital for growth, strategic guidance, and market validation. This support accelerates business development, reduces financial risk, and prepares startups for future funding rounds or exit opportunities. The outcome of securing angel investment or VC funding is accelerated business growth, enabling startups to scale rapidly, gain market traction, and improve their chances of long-term success. It also positions the company for future funding rounds, potential acquisition, or an IPO, benefiting both the entrepreneurs and the investors. About 100 EIE students participated in this webinar. Mrs.K.Prasanti, Assistant professor, EIE coordinated this event.

Training Program on “VLSI Design For Testability”

The Department of EIE organized Hands on Training program on “**VLSI Design For Testability**” during 20th December 2024 to 20th April 2025. The resource person for this training is Dr. Shaik Asraf Ali, Director, BIST Technologies Pvt. Ltd., Vijayawada.

The training program on VLSI Design for Testability (DFT) provided a comprehensive understanding of how to design integrated circuits with built-in features that simplify testing and debugging. The course addressed both the **theoretical foundations** of DFT and **practical exposure** to industrial EDA tools, ensuring participants gained skills relevant to modern semiconductor design flows.

Objectives of the Training:

- To understand the role and importance of DFT in VLSI chip development.
- To explore the goals of DFT and its integration in the design cycle.
- To learn about scan-based testing methodologies and their variations.
- To gain hands-on experience with industry-standard tools for circuit simulation, synthesis, and layout.

A total of 74 students from 3/4 and 4/4 EIE and ECE participated and benefited from this training. This program was coordinated by Mr.V.N. Prudhvi raj, Dr.N.Swathi and Mrs. M.Kranthi.

Motivational talk on “Entrepreneurs career and Journey”

A motivational talk on “**Entrepreneurs career and Journey**” was organized by the dept. of EIE to on 6th February 2025. Mr.V.S.Vamsi Krishna, Entrepreneur was the resource person for this event. The outcome of this motivational talk is to inspire aspiring entrepreneurs to pursue their journey with confidence, resilience, and a problem-solving mindset. It encourages them to embrace challenges as learning opportunities, develop persistence, and focus on long-term success rather than short-term gains. By fostering innovation, adaptability, and a commitment to making a positive impact, the talk aims to instil the belief that with hard work, patience, and the right mindset, anyone can achieve entrepreneurial success. This event was coordinated by Mrs.K.Prasanti, Assistant Professor, EIE.
