AFOSEC:

- ✦ The department of Information Technology has organized Paper Presentation contest on Feb 5th as a part of AFOSEC technical events. Mrs.K.SitaKumari& Mrs. A.Srisaila are the faculty coordinators and P.HarshaSamhitha, A.NagaJyothi & V.Bhargav are the students coordinators for the event. A total of 60 technical papers were received from in and around the college. Out of this 25 best papers were selected and invited for the oral presentation. The event was organized in the conference hall of IT department. This event empowered engineering students from different domains with an opportunity to present

their visions, thoughts and ideas. Students laid down their technical ideas through presenting papers on topics of Internet Of Things, Code metrics, R Programming, Search engines, Big Data Analytics, Wireless Networks and covering the latest technologies. It provides a very good platform where the students can share their experiences, explore their ideas & viewsets.

First Prize Winners:

Kishan koushik D & Deepak Kanuri from
RVRJCCE

Topic: Search engine working and its optimization

Second Prize Winners:

B. Rahul & N. Krishna from PACE Institute
of Technology and Sciences
Topic :Role of 'R' in Data Analytics

Third Winners:

Divvela Lakshmi Deepthi from Sri Vasavi
Institute of Engineering and Technology

Topic: Internet of Things
