Workshop Attended by Students

Students of III-IV B.Tech bearing Roll No's 128W1A1201, 128W1A1203, 128W1A1206, 128W1A1208, 128W1A1209, 128W1A1211, 128W1A1213, 128W1A1217, 128W1A1223, 128W1A1230, 128W1A1231, 128W1A1233, 128W1A1252, 128W1A1255, 128W1A1256, 128W1A1283 have participated in an event STARTAP FEST coorganized by AAVVAS, Govt of AP at HAILAND

Publications

- D.Naveena, S.Sunitha, M.Lavanya "An Efficient Person Identification using Face", International journal of advance research in computer Science and Management Studies (IJARCSMS) Volume 2, Issue 10, October 2014
- K.Madhavi, K.Anushchaithanya "Percolate and M Supremacy User Walls by Using PFW" published on IJSEAT I, October 2014
- Tirumala Damarla, N.Neelima "Neighbor Discovery in Wireless Networks by using Optimal Route Algorithm" (IJARCSMS) (ISSN: 232-7782) Volume 2, Issue 12, December 2014

Placements

- We Proudly announce that two members from IT department got recruited in VIRTUSA on 24/12/2014
P.Shalini - 118W1A12A4, T.Soumya - 118W1A12B4

Conference Attended

- Dr.M.Suneetha, HOD, IT Department attended an International Conference on Computing and Communication Technologies ICCCT 2014 and presented a paper on “Mining VRSEC student Learning Behaviour in moodle system using Datamining Techniques” 11th to 13th December 2014 conducted by University College of Engg., Osmania University, Hyderabad
- Mrs.P.MadhaviLatha attended a UGC Sponsored Two Day National Seminar On “Ethical Hacking-An Inevitable Tool for a Secured Organization” conducted by KBN College on 13-12-14

Workshop Organized

The Department of Information Technology has organized a 4 day Training Program on “Enterprise Mobile Application Development Program” for 10 participants at V.R.Siddhartha Engineering College inviting the resource persons from SP Software Private Limited during 11th Dec to 14th Dec 2014. The event is organized by M.Varun, Asst.Professor of IT Department. Mr.K.Raviteja, Business Development Manager, Pradeep, Senior Software Engineer and Rabbani Shaikh from SP Software Private Limited trained the faculty. The Training Program covered various topics related to Mobile Application development. The faculty from IT, CSE and MCA departments were trained on IBM Worklight Features, Supporting front end programming languages and Application Development and Deployment. The faculty was created awareness on Worklight Development environment. The Concepts related to the Mobile Application Development using IBM Worklight for different emulator platforms are discussed. The Objective of this training program is to allow people to develop mobile applications for different platforms using the user friendly IBM Worklight environment.

S.Suhasini, K.Pranathi, S.Kranthi, N.Neelima have attended the workshop.
