

DEPARTMENT OF INFORMATION TECHNOLOGY: VRSEC

ACM EVENTS LIST

A.Y 2020-21

S.NO	EVENT TYPE	EVENT NAME	DATE	Event Report
1	International Webinar	Machine Learning for Veracity of Big Data	3 rd July,2020	Link
2	Article writing contest	Write – A – Thon (<i>Online Article Writing Competition</i>)	31st August,2020	Link
3	Technical Quiz	Cognite (Technical Quiz)	19 th September,2020	Link
4	Webinar	Automation and AI Transformational Journey	23 rd September,2020	Link
5	Seminar	Life Skills of Engineering Students	27 th January,2021	Link
6	Non-Technical Events	AGON Blind Fold,Blitz Chess	5 th February,2021	Link
7	Women's Day Event	WOMANIA	8th March , 2021	Link
8	Guest Lecture	Pursuing a career in Data Science	25-June-2021	Link
9	Alumni Talk	Emergency Technologies & Endurance in IT	26-June-2021	Link

International Webinar
on
Machine Learning for Veracity of Big Data

The Department of Information Technology and Computer Science and Engineering, V R Siddhartha Engineering College has successfully organized a **International Webinar On “Machine Learning for Veracity of Big Data” on 3rd July,2020 under Association for Computing Machinery Student Chapter VRSACM.**

The aim of this FDP is to demonstrate the concepts Why “Big” Data, The V’s of Big Data, Veracity – The Fourth ‘V’.

Resource Person:

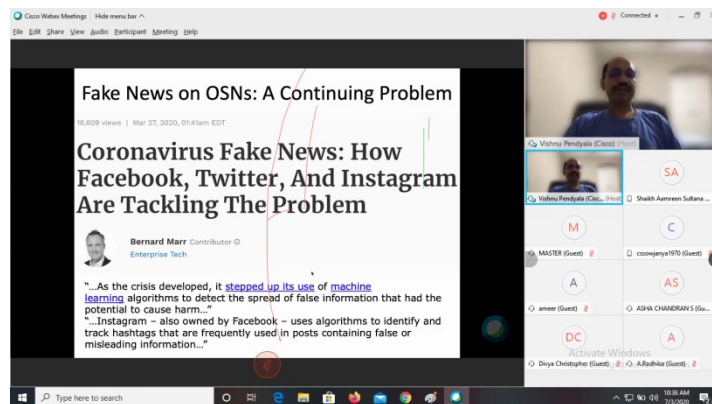

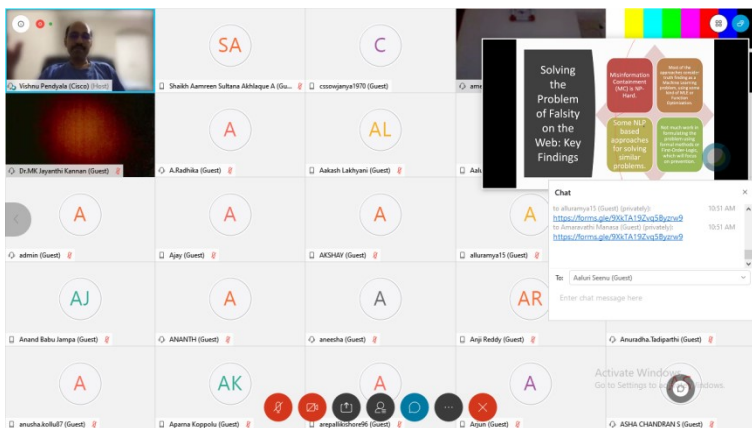

Dr. Vishnu S. Pendyala,
Technical Leader, Cisco Systems Inc., San Jose, California, USA

Objectives:

- Determining the truth of big data in real-world applications involves using various tools to analyze the available information.
- The guide to intuitive understanding: the techniques that can be used .
- Micro-blogging websites such as Twitter major role in public life.
- Real-world applications: Develop to provide the perfect starting point to rapidly gain expertise. Everything you build and practice will be an exciting journey with

Participants:

292 faculty members registered from both the host college and other external colleges of Andhra Pradesh, Telangana and Tamil Nadu.

**Article writing contest : Write – A – Thon
(Online Article Writing Competition)**

Department of Information Technology has organized Write-A-Thon (article writing contest) on 31-August-2020. Students are invited to explore their own views on the mentioned topics. This theme has been decided to test the knowledge, research interest, comparative analysis of technologies and writing skills of the participants.

Registered Participants Details:

Timestamp	Email address	Full Name(For Certificate)	Year of Study	Branch/Department Name	College Name(Full Name with City and State)	Phone Number
23/08/2020 13:50:24	dineshreddyraavi111@gmail.com	Raavi Dinesh Kumar Reddy	3rd	Information technology	VR siddhartha engeneering college	9110380663
23/08/2020 14:13:58	rajanagendra7772@gmail.com	Donepudi venkatakrishnasai rajanagendra	3rd year	Computer science and engineering	Rvr&jc college of engineering guntur Andhra Pradesh	9490130161
23/08/2020 14:15:10	chaitanyakurcheti1999@gmail.com	K.V.V.Krishna chaitanya	3rd year	Computer science & engineering	RVR&JC Engineering college Guntur	09542083918

Cognite

(Technical Quiz)

Department of Information Technology has organized **Cognite (Technical Quiz) on 19th September,2020 under VRSEC ACM Student Chapter**. A Technical Quiz is a form of game or mind sport, in which the players (as individuals or in teams) attempt to answer questions correctly. It is a game to test the knowledge about a certain topic. A quiz is a brief assessment measure growth in knowledge, abilities, and/or skills.

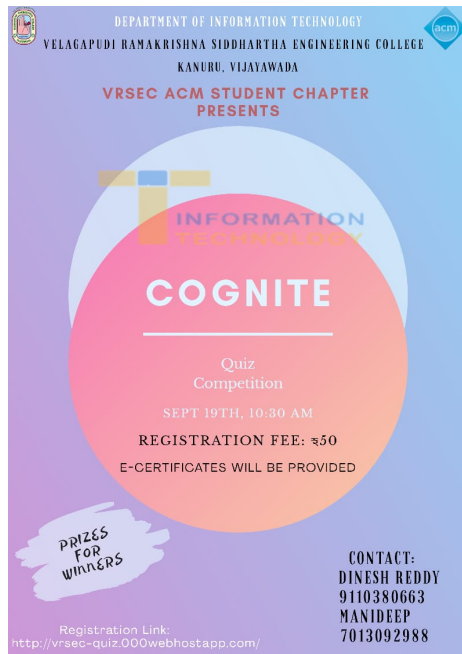

Coordinators:

R.Dinesh Reddy
Student Coordinator

G.JayaLakshmi
Faculty In-Charge
Assistant Professor,
Department of Information Technology,
V.R.Siddhartha Engineering College,
Vijayawada-7

Participants:

320 Students from various college from Andhra Pradesh participated in this technical quiz.

Webinar on Automation and AI Transformational Journey

Department of Information Technology has organized a webinar on “Automation and AI transformational journey” by ACM Distinguished Speaker Dr. Sunil Kumar Vuppala , Director – Data Science, Ericsson Global AI Accelerator (GAIA), Bangalore . The program was attended by about 185 participants including faculty and students from various colleges. The talk covered the transformational journey of automation and AI from retrospective to predictive, Role of Machine Learning and Deep learning in intelligent automation, Usage of different types of data and resources to build various levels of automation.

Resource Person:

Dr. Sunil Kumar Vuppala , Director – Data Science,
Ericsson Global AI Accelerator (GAIA), Bangalore .

Participants:

Internal Faculty:20

Internal Students :50

External Faculty 120

Objectives:

The key takeaways include:

1. To understand the challenges in Automation and AI
2. How engineering students can learn and attempt to solve these problems
