ABOUT CSI

Computer Society of India (CSI) is the first and largest body of computer professionals in India. It was started on 6 March 1965 by a few computer professionals and has now grown to be the national body representing computer professionals. Through the initiatives of Professor Rangaswamy Narasimhan, the first President, CSI has been in close liaison with International Federation for Information Processing (IFIP) since its inception in 1965, when observers from India attended the IFIP Council meeting.

- Only Member in IFIP from India (International Federation for Information Processing)
- Leading Member of SEARCC (South East Asia Regional Computer Confederation)
- Partner of IEEE Computer Society (Institute of Electrical and Electronic Institution)
- MOU with Springer for publication of Proceedings of Conferences organized by CSI
CSI Transactions on ICT
- Have MOU with PMI (Project Management Institute)
- Have MOUs with MYANMAR (Computer Professional Association)

ABOUT COLLEGE

The college sponsored by Siddhartha Academy of General and Technical Education was established in 1977 as the 1st private self financing engineering college in the state of Andhra Pradesh. The academy cited is a registered society consisting of 250 philanthropists. The college commenced its operations with an annual intake of 180 into 4 branches of engineering and the Institution has been growing from strength to strength.

ABOUT DEPARTMENT

The Department started with an initial intake of 60 students in UG Program and the intake is enhanced to 120 in the year 2007. Th 2011, the department started a PG Program M.Tech in CST with an intake of 36 students. Faculty have published 259 publications from the AY 2010-11 to till date, having collaborative lab from IBM India Pvt. Ltd and CM's Skill Excellence Centre is established in association with APSSDC, 03 patents are filed and published in the areas of Data Engineering and Software Engineering. Total Fund received through R&D Projects is Rs 42,83,000/-from agencies like NRSC and UGC.A total amount of Rs 12,00,000/- is received from E&ICT Academy and AICTE to conduct Faculty development programs.

ABOUT THE EVENT

The Department of Information Technology organized INCEPTRA 2020 - A TWO DAY VIRTUAL FEST on SEPTEMBER 26^Th & 27th 2020. The program was initiated under the guidance of Dr.M.Suneetha, Head of the Department, Information Technology and coordinated by Mr. Y.Kalyan Chakravarti, Assistant Professor.

**VELAGAPUDI RAMAKRISHNA
SIDDHARTHA ENGINEERING COLLEGE**
(Sponsored by Siddhartha Academy of General & Technical Education)

Velagapudi Ramakrishna Siddhartha Engineering College (VRSEC) is sponsored by Siddhartha Academy of General and Technical Education, well known as Siddhartha Academy. VRSEC is the First self-financed Engineering College in a combined state of Andhra Pradesh and Telangana established in the year 1977 and also first private college to offer PG Programmes in engineering in Andhra Pradesh in the year 1998. 42 years of engineering excellence, recognizing our tremendous efforts towards education, UGC has announced Autonomy status to our college in 2006. The college was accredited by NBA in the year 1998 for the first time, and subsequently in 2005, 2009, 2014, 2015 & 2018 (under Outcome Based Education). 350 full-time teaching faculty is serving, among them 120 faculties have completed their research program (Ph.D.) in India's premier institutions. The institute has strong base in consultancy and testing and earned Rs. 12.25 crores during the last 5 years. The institute has received AICTE-CII National Award – 2019 for Best Industry linked Technical Institute in Civil Engineering.

**DEPARTMENT OF
INFORMATION TECHNOLOGY**

The Department of Information Technology was started with UG Programme - B.Tech. in Information Technology in the year 2000 and a PG Program - M.Tech. in Computer Science and Technology (CST) in the year 2011. The Department started a new PG program M.Tech. in Data Science in the year 2019. The B.Tech. Programme of the department has accredited thrice by NBA during 2008, 2014 & 2017 (under Outcome Based Education- Tier I). The Department is having collaborative labs with IBM India Private Ltd., and APPLE Pvt. Ltd (Apple Authorised Training Centre for Education). The Department is having innovation and incubation centers from the industries - Anblicks Solutions, USA; World Vision Technologies, USA; Sedibus, India. The faculty strength of the department is 30; the intake strength is 120 for UG and 18 for PG. The department has acquired sponsored projects from various sponsoring agencies like UGC, AICTE, NRSC-ISRO and Siddhartha Academy.

ABOUT CSI

Computer Society of India (CSI) is the first and largest body of computer professionals in India. It was started on 6 March 1965 by a few computer professionals and has now grown to be the national body representing computer professionals. Through the initiatives of Professor Rangaswamy Narasimhan, the first President, CSI has been in close liaison with International Federation for Information Processing (IFIP) since its inception in 1965, when observers from India attended the IFIP Council meeting.

- Only Member in IFIP from India (International Federation for Information Processing)
- Leading Member of SEARCC (South East Asia Regional Computer Confederation)
- Partner of IEEE Computer Society (Institute of Electrical and Electronic Institution)
- MOU with Springer for publication of Proceedings of Conferences organized by CSI
CSI Transactions on ICT
- Have MOU with PMI (Project Management Institute)
- Have MOUs with MYANMAR (Computer Professional Association)

ABOUT COLLEGE

Velagapudi Ramakrishna Siddhartha Engineering College (VRSEC) is sponsored by Siddhartha Academy of General and Technical Education, well known as Siddhartha Academy. VRSEC is the First self-financed Engineering College in a combined state of Andhra Pradesh and Telangana established in the year 1977 and also first private college to offer PG Programmes in engineering in Andhra Pradesh in the year 1998. 42 years of engineering excellence, recognizing our tremendous efforts towards education, UGC has announced Autonomy status to our college in 2006. The college was accredited by NBA in the year 1998 for the first time, and subsequently in 2005, 2009, 2014, 2015 & 2018 (under Outcome Based Education). 350 full-time teaching faculty is serving, among them 120 faculties have completed their research program (Ph.D.) in India's premier institutions. The institute has strong base in consultancy and testing and earned Rs. 12.25 crores during the last 5 years. The institute has received AICTE-CII National Award - 2019 for Best Industry linked Technical Institute in Civil Engineering.gth.

ABOUT DEPARTMENT

The Department of Information Technology was started with UG Programme - B.Tech. in Information Technology in the year 2000 and a PG Program - M.Tech. in Computer Science and Technology (CST) in the year 2011. The Department started a new PG program M.Tech. in Data Science in the year 2019. The B.Tech. Programme of the department has accredited thrice by NBA during 2008, 2014 & 2017 (under Outcome Based Education- Tier I). The Department is having collaborative labs with IBM India Private Ltd., and APPLE Pvt. Ltd (Apple Authorised Training Centre for Education) . The Department is having innovation and incubation centers from the industries - Anblicks Solutions, USA; World Vision Technologies, USA; Sedibus, India. The faculty strength of the department is 30; the intake strength is 120 for UG and 18 for PG. The department has acquired sponsored projects from various sponsoring agencies like UGC, AICTE, NRSC-ISRO and Siddhartha Academy.

ABOUT THE EVENT

The Department of Information Technology, VR Siddhartha Engineering College had organized a Two-day CSI Regional Level Student Convention "ADVAITHA 2020" on December 28th and 29th, 2020. It was conducted both online and offline mode. The Main theme of the fest was "Industry 4.0". Prof. M. Surendra Prasad Babu, Region-V, Vice President, CSI graced this event as Chief Guest. The guest of honors for this event were Dr. J. Rajesh Chowdary, CSI-Vja Chapter Chairman, Dr. K. Rajasekhar Rao, CSI-Vja Chapter, Immd. Past Chairman, Dr. A. Venkata Praveen Krishna, Dr. S. Maruthu Perumal, State Student Coordinators, AP-CSI, and Dr. Salman Abdul Moiz, Region-V, Student Coordinator, CSI.

All the events are open to all Engineering domain students. Around 2435 students from various colleges of Andhra Pradesh, Telangana and Karnataka had registered for this event.

BRIEF REPORT

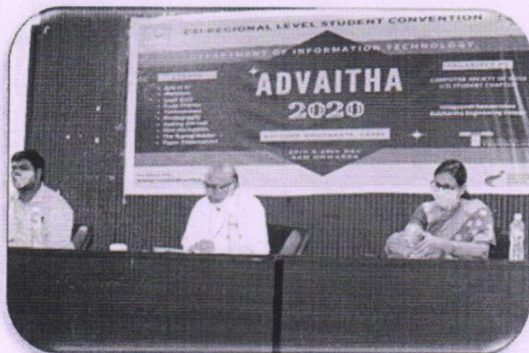

Department of Information Technology
V R Siddhartha Engineering College in association with
CSI Student Branch

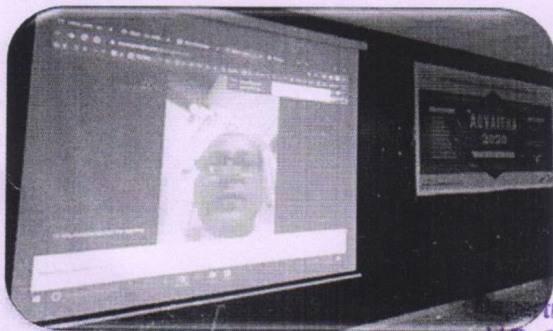

Organized
A CSI REGIONAL LEVEL STUDENT CONVENTION
"ADVAITHA 2020"

The Department of Information Technology, VR Siddhartha Engineering College had organized a Two-day CSI Regional Level Student Convention "ADVAITHA 2020" on December 28th and 29th, 2020. The Main theme of the fest was "Industry 4.0". Prof.M.Surendra Prasad Babu, Region-V, Vice President, CSI graced this event as Chief Guest. The guest of honors for this event were Dr.J.Rajesh Chowdary, CSI-Vja Chapter Chairman, Dr.K.Rajasekhar Rao, CSI-Vja Chapter, Immd. Past Chairman, Dr.A.Venkata Praveen Krishna, Dr.S.Maruthu Perumal, State Student Coordinators, AP-CSI, and Dr.Salman Abdul Moiz, Region-V, Student Coordinator, CSI.

The Dignitaries had graced the occasion with their valuable words about Industry 4.0 Technologies like Big Data, Machine Learning, Artificial Intelligence, Internet of Things.

Prof.M.Surendra Prasad Babu addressed the gathering by focusing on the importance of Big Data Technologies. The program was initiated under the guidance of Dr.A.V.Ratna Prasad, Principal, VRSEC and Dr.M.Suneetha, Head of the Department, Information Technology. Apart from student coordinators, the faculty coordinators Mr. Y.Kalyan Chakravarti, Assistant Professor and Mrs. P.Ramya, Assistant Professor took a great step in encouraging the students to participate in all the events in online and offline.

The students had organized various technical events like Paper Presentation, Logo Quiz, Ideathon, Mini Hackathon, Code Champ, Typing Master, ACE of AI, Technosmart, Photography and Coding Contest. In addition to these events, a Technical session was conducted on Big Data.

All the events are open to all Engineering domain students. Around 2435 students from various colleges of Andhra Pradesh, Telangana and Karnataka had registered for this event. In a nutshell, we trust that this event had given a chance to the students to share their knowledge and pitch new innovative ideas. The participants were with self-motivation, commitment and support and made this occasion a grand success.
