

Alumni Survey (POs)

If you have pursued a "B.Tech degree in Information Technology at V.R.Siddhartha Engineering College", we are eager to hear about you by spending a moment of time in responding to this survey. The survey is conducted in order to obtain information helpful to the department in program planning and in assisting the current students.1

1. To what extent the study of Mathematics and Sciences helped you in analysing the problems in your career?

Mark only one oval.

- Strong
- Moderate
- Low

2. Are you able to identify and define the computing requirements for a given problem which are appropriate to its solution?

Mark only one oval.

- Yes
- Better
- No

3. How satisfied are you in using new software/environment?

Mark only one oval.

- Very Satisfied
- Satisfied
- Unsatisfied

4. 4. How well are you participating in social welfare activities?

Mark only one oval.

Excellent

Good

Average

Fair

5. 5. Are you able to implement global, security and safety issues at your career?

Mark only one oval.

Yes

Better

No

6. 6. Are you able to work effectively in multidisciplinary teams?

Mark only one oval.

Yes

Better

No

7. 7. How far you are able to self-learn new tools, algorithms, and/or techniques that contribute to the software solution of the given team project?

Mark only one oval.

Excellent

Satisfactory

Average

Poor

8. 8. Have you pursued any higher education? If “yes” please specify the following
i) What is your masters’ degree that you had pursued?

Mark only one oval.

- M.S
- M.Tech
- MBA
- Others

9. 9. When giving people a deadline to complete their project work, do you expect them to coordinate with others if and when they need to?

Mark only one oval.

- Yes
- Better
- No

10. 10. How well you prepare a specific timeline and sequence of activities, and use them to manage the overall project to ensure its timely completion?

Mark only one oval.

- Very Satisfied
- Satisfied
- Neutral
- Unsatisfied
