#### All scores inside should be entered in ink only.

\*Will be increased based on the mandatory requirement.

#### Signatures:

S.NO	Name of the Member	Signature of the Member

### Chairman

#### Part V is Mandatory

#### Each item should have supporting document submitted by the faculty.

#### Data formats with self appraisal will be created for each line entry and will be put on secure intranet

- 1. API score is the **Appraisal Performance Indicator** score obtained from the Self Appraisal formats in Part A and Part B of the PBAS.
- Minimum Score: This is the minimum score required to enable the DFAC to recommend for annual increment and /or promotion. Also an overall <u>score of 550</u> is taken as the minimum cutoff mark. Also Minimum cutoff points should be attained for Teaching and Learning Processes (Part-1) and R&D (Part -3).

## <u>Papers Publication – Desirable requirement:</u>

For Professors & Associate Professors- They Should Publish minimum two papers in SCI/ unpaid Scopus Journals. (At least one in SCI/SCIE)

# Further, it is suggested to publish in Q1, Q2 and Q3 Journals to avoid uncertainty of Scopus indexing

- **3.** DFAC Score is given by the Chairman, DFAC, based on the Departmental Faculty Assessment committee (DFAC) assessment, constituted by the Principal.
- 4. DFAC report along with Summary Sheet should be signed by all the members and forwarded to the Principal.
- 5. **Principal generally concurs with the DFAC committee's API score** unless there is an obvious, abnormal and deliberate hike or lowering of API score or they receive a representation from the faculty member seeking justice.
- 6. Minimum scores indicated are **provisional** and will be decided by the FAB.
- The PBAS formats are forwarded by the DFAC to the Principal along with summary sheets and are scrutinized meticulously by the <u>Appraisal Screening Committee (ASC)</u> comprising of Principal as the Chairman, the DEANS as members and the Chairman DFAC as the member and submitted to the Faculty Assessment Board (FAB).
- 8. Further, each faculty member should enter the Self Score by the side of DFAC score box and submit the same, to the HOD.

## PART - A <u>General</u> <u>API Score Max: 50</u>

1.0 **Personal Details:** 1. Name 2. **AICTE** Designation 3. Name of the Department 4. **Employee Identification Number** 5. Date of Appointment to the present post 6. Date of birth 7. Address 8. Contact details E-mail : Telephone : Mobile :

#### 2.0 Educational qualifications (starting from degree):

Programme	Period of study	University	Points/CGPA	Class obtained

#### 3.0 Experience:

S.No.	Designation	Institution	From	То	Service in Years

**Points: 5 points for every year of experience in the college** *and 2.5 points for experience outside the college,* **subject to a maximum of 50 points will be given.** 

For example, if a person has 5 years 4 months of experience in the college and 2 years 4 months of experience outside, then the computation is as follows:

(5.3×5) + (2.3×2.5) =22.25

# <u>SELF SCORES should be entered in ink by the side of the DFAC score Boxes against each item throughout the document by the applicants.</u>

#### PART-B

#### PART I – CURRICULUM- TEACHING & LEARNNG PROCESSES

**MINIMUM API SCORE: 240** 

MAXIMUM API SCORE: 400

(Curriculum teaching learning Process file is required to be maintained by each faculty to include proofs for the

following)

If a faculty member is on maternity /medical leave in a semester exceeding 1 month, points obtained in the other semester are to be entered in the total column instead of calculating the average of the two semesters. For new entrants also the same is applicable. This clause is applicable throughout the PBAS format for all parts.

#### For S&H, MBA and MCA, DFAC will give scores as per guide lines given to them and apply necessary scaling factors. Overall scores should be computed for maximum of 1000 only.

#### DFAC score has to be entered for each item.

## <u>Global Professional Certification /exam which leads to students career oriented/job oriented /project</u> guidance/Own research: 40 points

Example : Domain Specific Certifications

<u>For CSE/IT :</u> CCNA/JAVA/Oracle /Salesforce/AWS/ Certified Scrum Master/ Certified Ethical Hacker/VMware/Microsoft/Redhat etc,.) <u>For CE/ME -</u> Auto CAD/ESRI etc.,

#### For each course with online exam

- Full course of at least 40 periods/8 weeks and based on end course exam conducted and relevant to the course handling/Project guidance/Research.
- Performance in the course end exam is more than 90% = 30 points;
- If less performance reduce points proportionately and rounded off.

For Courses in Teleconference mode or Courses without exam

• For specialization course with Capstone Project with 90% performance and relevant to the course handling/Project guidance/Research a maximum of 30 points may be given.

Add both sem scores if applicable and take average.
