### SUMMIT

#### About the event:

The main motto of the summit is to improve communication skills in the students so that they can actively participate in every event or in the class. Because of fear or nervousness, the students are not willing to speak out in the class. The summit is conducted by the students only without any interference of the faculty just to make them actively participate in group discussions or debates, etc.

No. of students participated: 100

Event Name: Plant A Tree:

The SUMMIT is organising a sapling planting event, promoting environmental consciousness and teamwork. Participants were tasked with posting a selfie while planting a sapling, tagging our Instagram account. The photo with the most likes and comments within 24 hrs would win a cash prize.

1st prize - 2000₹

2nd prize - 1000₹

Beyond the competition, the event aimed to highlight the importance of tree planting for future generations, emphasizing sustainability and community involvement.

Event starts at 10 am on 4-May-2024 and ends at 10 am 5-May

Winners will be announced by Sunday evening
