28th IQAC Regular Meeting

Thursday, 29th Dec. 2022

Agenda

A) Action taken report on the proposals of 27th IQAC meeting

- 1) Implementation of *Activity Calendar* in addition to Academic Calendar
 - 2) Institutionalization of *R & D Excellence Award*
-

B) Issues open for discussion

- 1) Identification & subsequent strengthening of one **major thrust area of Research in Emerging fields in every department** by providing necessary infrastructural facilities & identifying competent faculty, to fulfill the **“Make in India” and “Atmanirbhar Bharat”**
2. Revamp of **“Continuous (Internal) assessment pattern”**.
3. Any other item with the permission of Chairperson.

A) Action taken report on the proposal of 27th IQAC meeting

1. Implementation of Activity Calendar in addition to Academic Calendar

Activity Calendar - Significance:

- Responsibilities of HEIs and their faculty are changing in present Educational scenario.....
Accreditations (NAAC & NBA) and Rankings (NIRF, ARIIA, etc.) – Documentation - evidences and outcomes.
- Chance of overlooking of the activities / may not perform them in scheduled time, by several reasons.
- Example: 1. Course end feedback... busy with their exams, corrections of answer scripts, uploading marks,.....
2. Quarterly review of Strategic plan outcomes at dept level.....**effects the performance**
- Putting all such activities, categorically, month wise, before us in a Calendar - **Activity Calendar**

School days

A) Action taken report on the proposal of 27th IQAC meeting

1. Implementation of Activity Calendar in addition to Academic Calendar

Activity Calendar for all level of leadership:

- Principal, Deans, AO, PD, NSS, Cultural coordinator, etcat Institute level
- HODs, PCs, etc.....at Department level.

Activity Calendar - Advantages:

- All scheduled activities are **conducted appropriately, in time.**
- When a person suddenly **left from his key responsibility**, lot of vacuum is created. But Activity Calendar **guides the successor** to turn-up quickly.
- It guides all the Stakeholders for **successful, effective & smooth** functioning of Institution.
- IQAC strongly believes that Activity calendar enhances the **performance** of Top & middle order leadership and thus Institution.

- *Modern education system does not exist without Research. Research is must for the delivery of knowledge to the students in present Higher Education.*
 - *This award acknowledges and improves the research culture in the Institute.*
-

How VRSEC has created an ecosystem for research and development in the campus

- **Capacity Building programs for Faculty & Students**
- **Encouraging quality student projects with financial support, if any, to the level of their Publications**
- **Collaborations/ MoUs with National & International reputed Institutions**
- **Seed Grant support**
- **Support for presenting papers in Conferences / Workshops at National & International reputed Institutions**
- **Support for patent filing to granting**
- **Incentives for publications, Sponsored Projects,.....**

Now **R & D Excellence Award**

A) Action taken report on the proposal of 27th IQAC meeting

2. Institutionalization of R&D Excellence Award

Proposed Guidelines - General

1. One award for each category - Asst. Professors, Assoc. Professors and Professors.

2. Previous three years data is considered for award
3. Min total score of overall PBAS – 80% for all category of faculty
4. Prize money will be equally distributed, if more than one faculty are eligible in a category.
5. Prize money for Professors – Rs. 30,000/-, Assoc. Professors – Rs. 25,000/- and Asst. Professors – Rs. 20,000/- and garlanding with a memento
6. The awardees may be felicitated with prize money on the Innovation day / any other day decided by the head of the Institution, every year.

2. Institutionalization of R&D Excellence Award

Proposed Guidelines - Professors

1. **Min score in R&D of PBAS (3 A) – 90%** (Avg of three years)
2. **Min three Publications in SCI / SCIE (Q1 or Q2 free Journals) over three years**
(The author must be at 1st position in the case of faculty involvement or max 2nd position in the case of M.Tech student project)
3. **Min author h- index (Scopus) as on assessment date - 12.**
4. **Min Rs 20 Lakhs worth of Research funding project (as PI) from Govt. / Non-Govt. agencies over three years under consideration.**
5. **Min one Indian patent – granted, over three years under consideration.**
6. **Min Two Innovative product developments – recognised (1st or 2nd Prize) in IITs / Institutions with NIRF less than 100 / Govt. Organisations.**

OR

Two Scopus publications in free journals from B.Tech Student projects .

7. **Participation in the Foreign University conferences through sponsorship by recognized bodies.**

OR

Registered Start-up with a financial turnover not less than 2 Lakhs / seed fund received from any Govt agency for incubation or product development.

2. Institutionalization of R&D Excellence Award

Proposed Guidelines - Asso. Professors

1. **Min score in R&D of PBAS (3 A) – 90%** (Avg of three years)
2. **Min three Publications in SCI / SCIE (Q1 or Q2 free Journals) over three years**
(The author must be at 1st position in the case of faculty involvement or max 2nd position in the case of M.Tech student project)
3. **Min author h- index (Scopus) as on assessment date- 10.**
4. **Min Rs 10 - 20 Lakhs worth of Research funding project (as PI) from Govt. / Non-Govt. agencies, over three years under consideration.**
5. **Min one Indian patent – Published / Granted over three years under consideration.**
6. **Min Two Innovative product developments – recognised (1st or 2nd Prize) in IITs / Institutions with NIRF less than 100 / Govt. Organisations.**

OR

Two Scopus publications in free journals from B.Tech Student projects.

8. **Participation in the Foreign University conferences through sponsorship by recognized bodies.**

OR

Registered Start-up with a financial turnover not less than 2 Lakhs / seed fund received from any Govt agency for incubation or product development.

2. Institutionalization of R&D Excellence Award

Proposed Guidelines - Asst. Professors

1. Faculty members should possess PhD qualification.
2. Min score in R&D of PBAS (3A) – 80%

3. Min two Publications in SCI / SCIE (Q1 or Q2 free Journals) over three years
(The author must be at 1st position in the case of faculty involvement or max 2nd position in the case of M.Tech student project)
4. Min author h- index (Scopus) as on assessment date - 8.
5. Min Rs 5 Lakhs worth of Research funding project (as PI) from Govt. / Non-Govt. agencies, over three years under consideration.
6. Min one Indian patent – Published / Granted over three years under consideration.
7. Min Two Innovative product developments – recognised (1st or 2nd Prize) in IITs / Institutions with NIRF less than 100 / Govt. Organisations.
OR
Two Scopus publications in free journals from B.Tech Student projects. / from faculty
8. Participation in the Foreign University conferences through sponsorship by recognized bodies.
OR
Registered Start-up with a financial turnover about 2 Lakhs / Seed fund received from any Govt agency for incubation or product development.

2. Institutionalization of R&D Excellence Award

Proposed Guidelines – General guidelines

- 1. The awards are to be initiated one year after announcement & dissemination.***
- 2. There must be a proper communication at the beginning of academic year to all the Faculty, so that everybody should aware of the rules of award / recognition.***
- 3. The finalization of the score for the recognition is judged by a committee headed by the Principal.***
- 4. Publications conversion: One SCI / SCIE = Two Scopus in Q1 / Q2 free journals, if necessary.***
- 5. Publications should remain in Scopus data base for all the years under consideration.***
- 6. Relaxation may be given from either 7th or 8th item for Physics, Chemistry, Maths & English depts, provided they have to balance them with appropriate no of additional publications.***

1) Identification & subsequent strengthening of one major thrust area of *Research in Emerging fields* in every department by providing necessary infrastructural facilities & identifying competent faculty, to fulfill the “*Make in India*” and “*Atmanirbhar Bharat*” .

Intension:

To make every department strong in a particular area of research by promoting extensive research work in that area.

Implementation Strategy:

- Identifying thrust area of Research in emerging field, useful to the Society & Industry.
- Identifying competent faculty / recruiting them, if necessary
- Providing infrastructural facilities in phased manner in the area of research
- Collaborating with institutions & Research organizations, working in the same field.

Expected outcomes:

- *Research work focusing on Outcomes – Quality Publications, Patents, innovative products, grabbing Research projects & research awards.*
- *Finally, aspiring recognition of the department from outside world.*

1) Identification & subsequent strengthening of one major thrust area of *Research in Emerging fields* by providing necessary infrastructural facilities & identifying competent faculty in every dept., to fulfill the “*Make in India*” and “*Atmanirbhar Bharat*”.

Research areas identified by the departments

Dept	Area of Research	Dept	Area of Research
CSE	➤ Computer Networks and Information Security	EEE	➤ Power System Applications
	➤ Image Processing and Computer Vision		➤ Instrumentation & Control
	➤ IoT, Cloud and Ubiquitous Computing	MBA	➤ Finance, Marketing & Human Resource
IT	➤ Big Data and Data Analytics	MCA	➤ Data Science and Artificial Intelligence
	➤ Remote Sensing and GIS	CHEM	➤ Cyber Physical Systems
CE	➤ 3D Concrete Printing		➤ Ionic Liquids – synthesis and study of properties
ECE	➤ AI and ML in VLSI design technology		➤ Crystal engineering – applications in pharmaceutical industries
	➤ 5G & MIMO Technologies with AI and Cloud		
EIE	➤ Signal Processing and Communications		
	➤ Intelligent systems for Control and Automation		

1) Identification & subsequent strengthening of any one major thrust area of *Research in Emerging fields* by providing necessary infrastructural facilities & identifying competent faculty in every dept., to fulfill the “*Make in India*” and “*Atmanirbhar Bharat*”.

Big Data and Data Analytics (IT Dept.):

The proposed Research area: The structured and unstructured large scale data, in various forms (Text Data, Graphs, Images, SQL, NOSQL Data) is analyzed for making strategic decisions for different real time applications - health care, agricultural, business, surveillance, social networks, etc.

Proposed Research work

Healthcare data analytics:

- **EHR generation and analysis** using various medical reports like prescriptions, lab test reports, x-rays, scans, etc.
- **Automatic disease detection and prediction, recommendation of treatment, Medicine & diet**, etc. by using big data frameworks and AI, ML & Deep learning techniques.
- **Real time monitoring of patients** from the data uploaded to the cloud.
- **Development of IOT based models** by using different sensors.

1) Identification & subsequent strengthening of any one major thrust area of *Research in Emerging fields in every dept., to fulfill the “Make in India” and “Atmanirbhar Bharat”* by providing necessary infrastructural facilities & identifying competent faculty

2. Business Analytics:

- Customers, Sales, products data and reviews from social networks, data can be analyzed and opinion mining and recommendation systems can developed.
- Customer behavior analysis using Big data and Machine learning and Deep learning techniques.

I. Budget: Facilities required - Equipment/ software/Research Laboratory development

Year	Hardware/Software Description	Cost
01	Informatics Cloud services package	Rs. 2,50,000/- for 2 users
02	Cloud era Enterprise version	Rs. 16,00,000/- for 2 years
03	Microsoft Powerbi	Rs. 72,000/- for 2 years

II. Faculty identified/ Faculty recruitment

Faculty identified

Dr.T.Anuradha	Professor
Dr.G.Kalyani	Associate Professor
Dr.S.SitaKumari	Associate Professor
Dr.S.Suhasini	Associate Professor
Dr.Sk.Fathimabi	Sr.Assistant Professor
Dr.G.Jayalakshmi	Assistant Professor
Mr.Y.Sandeep	Assistant Professor

Additional manpower in the areas of Big Data, Data Analytics, IoT and Cloud Computing.

Professors : 1
Associate Professors : 1
Sr.Assistant Professors : 1
Assistant Professors : 4

III. Collaboration/MoU with outside Institutions / research organizations.

The following institutes are identified.

- IIT, Hyderabad
- National Institute of Technology, Calicut
- National Institute of Technology, AP
- Tata Consultancy Services, Hyderabad
- Tekcrux pvt Ltd, Hyderabad

IV. Expected outcomes - publications, patents and innovations, prototypes

1 st year	2 nd year	3 rd year
➤ Publications-01	➤ Publications-03	➤ Publications-03
➤ Patents-01	➤ Patents-03	➤ Patents-03
➤ Innovations-01	➤ Innovations-02	➤ Innovations-02
➤ Prototypes-01	➤ Prototypes-02	➤ Prototypes-03
	➤ Research Project-01	➤ Research Project-01
	➤ Consultancy-01	➤ Consultancy-02

B) Issues open for discussion

2. Revamp of “Continuous (Internal) assessment pattern”

Proposed pattern:

Internal Assessment - 30M	
Class tests (4) -	10
Sessional Examinations (2) -	15
Presentation / Seminars –	5

Class tests
5Q*2 M=10 M
Duration – 30min
Knowledge levels
not less than K2
& K3

Sessional Examinations
-Total - 4Q and
-Choice – 1Q
3Q*5M=15M
Duration – 75/90min
-Knowledge levels
K2 to K5
-Choice Question must
be with same
Knowledge level

Presentation / Seminars
Based on
rubrics & topic
beyond syllabus

Existing pattern:

Internal Assessment - 30M	
Assignment Tests (2) -	10
Sessional Examinations (2) -	12
Home assignment –	5
Attendance –	3

Assignment Tests
2Q*5 M=10 M
Duration – 45min
*No guidelines for
Knowledge levels*

Sessional Examinations
Part A – 4 M
(Compulsory)
Part B – 8 M
Total 3Q – One
Choice
2Q*4M=8 M
Duration – 60min
*No guidelines for
Knowledge levels*

Home Assignment-5M
Faculty choice –
Report submission

Knowledge levels: K1-Remember, K2-Understand, K3-Apply, K4- Analyse, K5- Evaluate & K6 - Create .
