AICTE – CII SURVEY OF INDUSTRY LINKED TECHNICAL INSTITUTES 2019

APPENDIX 1

Appendix 1: Alphabetically arranged list of 714 institutes which participated in the Full Survey. Scores are arrived on the basis of data provided by institutes. Verification of data is done only in the cases of short-listed institutes above a certain threshold. Data on the basis of which the scores are given is non-verifiable and might be exaggerated to a certain extent in some cases. Action can be taken against any institute which is found to have submitted false data. AICTE and CII are not responsible for any false claims made by institutes in this survey. The purpose of this exercise is to create role-models of excellence for institutes and help them improve their industry linkages. Institutes can assess their performance across various parameters and across disciplines through customised feedback reports which are available separately. These reports are purely voluntary and can be obtained by writing to CII at shalini.sharma@cii.in
