

ELSEVIER-SCIENCE DIRECT JOURNALS LIST-2023

S. No.	Subject	Journal Title
1	Safety, Risk, Reliability and Quality	Accident Analysis & Prevention
2	Aerospace Engineering	Acta Astronautica
3	Bioengineering, Biomaterials, Biochemistry, Genetics and Molecular Biology	Acta Biomaterialia
4	Computer Networks and Communications, Control and Systems Engineering	Ad Hoc Networks
5	Artificial Intelligence, Civil and Structural Engineering, Control and Systems Engineering, Mechanical Engineering	Advanced Engineering Informatics
6	Software, Computational Mechanics	Advances in Engineering Software
7	Aerospace Engineering	Aerospace Science and Technology
8	Computer Networks and Communications, Electrical and Electronic Engineering	AEÜ - International Journal of Electronics and Communications
9	Control and Systems Engineering, Electrical and Electronic Engineering	Annual Reviews in Control
10	Mechanical Engineering	Applied Acoustics
11	Civil and Structural Engineering, Mechanical Engineering	Applied Energy
12	Human-Computer Interaction, Industrial and Manufacturing Engineering	Applied Ergonomics
13	Computational Mechanics, Control and Systems Engineering	Applied Mathematical Modelling
14	Computational Mechanics, Control and Systems Engineering	Applied Mathematics Letters
15	Ocean Engineering	Applied Ocean Research
16	Computer Science Applications, Control and Systems Engineering	Applied Soft Computing
17	Mechanical Engineering	Applied Thermal Engineering
18	Artificial Intelligence, Computational Theory and Mathematics, Engineering (General)	Artificial Intelligence
19	Artificial Intelligence	Artificial Intelligence in Medicine
20	Control and Systems Engineering, Electrical and Electronic Engineering	Automatica
21	Civil and Structural Engineering, Control and Systems Engineering	Automation in Construction
22	Computational Theory and Mathematics, Computer Science Applications	Big Data Research
23	Biomedical Engineering	Biocybernetics and Biomedical Engineering
24	Biomedical Engineering	Biomaterials
25	Signal Processing, Biomedical Engineering, Control and Systems Engineering	Biomedical Signal Processing and Control
26	Computer Science Applications, Hardware and Architecture, Information Systems	Biometric Technology Today
27	Biomedical Engineering	Biosensors and Bioelectronics
28	Control and Systems Engineering	Biosystems Engineering

S. No.	Subject	Journal Title
29	Civil and Structural Engineering	Building and Environment
30	Industrial and Manufacturing Engineering	Cement and Concrete Composites
31	Industrial and Manufacturing Engineering	Cement and Concrete Research
32	Industrial and Manufacturing Engineering, Safety, Risk, Reliability and Quality	CIRP Annals
33	Industrial and Manufacturing Engineering, Safety, Risk, Reliability and Quality	CIRP Journal of Manufacturing Science and Technology
34	Ocean Engineering	Coastal Engineering
35	Artificial Intelligence	Cognitive Systems Research
36	Mechanical Engineering	Combustion and Flame
37	Mechanical Engineering	Communications in Nonlinear Science and Numerical Simulation
38	Civil and Structural Engineering	Composite Structures
39	Ceramics and Composites	Composites Part A: Applied Science and Manufacturing
40	Engineering (General)	Composites Part B: Engineering
41	Engineering (General)	Composites Science and Technology
42	Computational Theory and Mathematics	Computational Biology and Chemistry
43	Computational Theory and Mathematics	Computational Geometry
44	Computational Mechanics	Computational Materials Science
45	Computational Theory and Mathematics, Electrical and Electronic Engineering	Computational Statistics & Data Analysis
46	Computer Graphics and Computer-Aided Design	Computer Aided Geometric Design
47	Computer Networks and Communications, Electrical and Electronic Engineering	Computer Communications
48	Computer Networks and Communications, Computer Science Applications, Software	Computer Fraud & Security
49	Computer Science (General)	Computer Law & Security Review
50	Computer Science (General), Software	Computer Methods and Programs in Biomedicine
51	Computer Science Applications, Computational Mechanics	Computer Methods in Applied Mechanics and Engineering
52	Computer Networks and Communications, Electrical and Electronic Engineering	Computer Networks

S. No.	Subject	Journal Title
53	Computer Science Applications	Computer Physics Communications
54	Computer Science (General)	Computer Science Review
55	Signal Processing, Electrical and Electronic Engineering	Computer Speech and Language
56	Computer Networks and Communications, Computer Science Applications, Software	Computer Standards & Interfaces
57	Computer Vision and Pattern Recognition, Signal Processing, Electrical and Electronic Engineering	Computer Vision and Image Understanding
58	Computer Graphics and Computer-Aided Design, Industrial and Manufacturing Engineering	Computer-Aided Design
59	Computer Science Applications	Computerized Medical Imaging and Graphics
60	Control and Systems Engineering	Computers & Chemical Engineering
61	Computer Networks and Communications, Control and Systems Engineering, Electrical and Electronic Engineering	Computers & Electrical Engineering
62	Computational Mechanics, Mechanical Engineering	Computers & Fluids
63	Computer Science Applications, Information Systems	Computers & Geosciences
64	Computer Graphics and Computer-Aided Design	Computers & Graphics
65	Industrial and Manufacturing Engineering	Computers & Industrial Engineering
66	Computer Science (General), Computational Mechanics, Control and Systems Engineering	Computers & Mathematics with Applications
67	Computer Science (General)	Computers & Operations Research
68	Computer Networks and Communications, Computer Science Applications, Information Systems	Computers & Security
69	Computer Science Applications, Computational Mechanics	Computers & Structures
70	Computer Science Applications	Computers and Electronics in Agriculture
71	Computer Science Applications, Civil and Structural Engineering	Computers and Geotechnics
72	Computer Science Applications	Computers in Biology and Medicine
73	Computer Science Applications	Computers in Human Behavior
74	Computer Science Applications, Industrial and Manufacturing Engineering, Industrial and Manufacturing Engineering	Computers in Industry
75	Computer Science Applications	Computers, Environment and Urban Systems
76	Civil and Structural Engineering	Construction and Building Materials

S. No.	Subject	Journal Title
77	Aerospace Engineering, Automotive Engineering, Control and Systems Engineering, Electrical and Electronic Engineering, Industrial and Manufacturing Engineering	Control Engineering Practice
78	Artificial Intelligence, Information Systems, Control and Systems Engineering	Data & Knowledge Engineering
79	Information Systems	Decision Support Systems
80	Engineering (General)	Desalination
81	Computer Graphics and Computer-Aided Design, Civil and Structural Engineering, Engineering (General), Industrial and Manufacturing Engineering	Design Studies
82	Electrical and Electronic Engineering	Diamond and Related Materials
83	Signal Processing, Electrical and Electronic Engineering	Digital Signal Processing
84	Computational Theory and Mathematics	Discrete Applied Mathematics
85	Hardware and Architecture, Human-Computer Interaction, Electrical and Electronic Engineering, Industrial and Manufacturing Engineering	Displays
86	Chemical Engineering (General), Materials Chemistry	Dyes and Pigments
87	Electrical and Electronic Engineering	Electric Power Systems Research
88	Artificial Intelligence, Computer Networks and Communications, Computer Science Applications	Electronic Commerce Research and Applications
89	Civil and Structural Engineering	Energy and Buildings
90	Mechanical Engineering	Energy Conversion and Management
91	Computer Science Applications, Computational Mechanics	Engineering Analysis with Boundary Elements
92	Artificial Intelligence, Control and Systems Engineering, Electrical and Electronic Engineering	Engineering Applications of Artificial Intelligence
93	Industrial and Manufacturing Engineering, Mechanical Engineering, Mechanics of Materials	Engineering Failure Analysis
94	Mechanical Engineering	Engineering Fracture Mechanics
95	Civil and Structural Engineering, Mechanical Engineering, Ocean Engineering	Engineering Structures
96	Artificial Intelligence, Computer Graphics and Computer-Aided Design, Computer Science Applications, Hardware and Architecture, Human-Computer Interaction, Software	Entertainment Computing
97	Software	Environmental Modelling & Software
98	Control and Systems Engineering, Electrical and Electronic Engineering	European Journal of Control
99	Mechanical Engineering, Mechanics of Materials	European Journal of Mechanics - A/Solids

S. No.	Subject	Journal Title
100	Mechanical Engineering	European Journal of Mechanics - B/Fluids
101	Computer Science (General)	European Journal of Operational Research
102	Mechanical Engineering	Experimental Thermal and Fluid Science
103	Artificial Intelligence, Computer Science Applications, Control and Systems Engineering	Expert Systems with Applications
104	Mechanical Engineering, Mechanics of Materials	Extreme Mechanics Letters
105	Computer Science Applications, Computational Mechanics	Finite Elements in Analysis and Design
106	Civil and Structural Engineering, Safety, Risk, Reliability and Quality	Fire Safety Journal
107	Control and Systems Engineering, Electrical and Electronic Engineering, Mechanical Engineering	Flow Measurement and Instrumentation
108	Computer Networks and Communications, Computer Science Applications, Hardware and Architecture, Information Systems, Software	Forensic Science International: Digital Investigation
109	Civil and Structural Engineering, Mechanical Engineering	Fusion Engineering and Design
110	Computational Theory and Mathematics, Computer Networks and Communications, Computer Science (General), Computer Science Applications, Hardware and Architecture, Human-Computer Interaction, Information Systems, Software	Future Generation Computer Systems
111	Artificial Intelligence, Computer Science Applications, Computer Vision and Pattern Recognition, Electrical and Electronic Engineering	Fuzzy Sets and Systems
112	Civil and Structural Engineering	Geotextiles and Geomembranes
113	Computer Graphics and Computer-Aided Design	Graphical Models
114	Computer Vision and Pattern Recognition, Signal Processing, Electrical and Electronic Engineering	Image and Vision Computing
115	Information Systems	Information & Management
116	Computational Theory and Mathematics	Information and Computation
117	Information Systems	Information and Organization
118	Human-Computer Interaction, Information Systems, Software	Information and Software Technology
119	Computer Vision and Pattern Recognition, Information Systems, Signal Processing, Engineering (General)	Information Fusion
120	Computer Science Applications, Information Systems	Information Processing & Management
121	Computational Theory and Mathematics	Information Processing Letters
122	Artificial Intelligence, Computer Science Applications, Information Systems, Electrical and Electronic Engineering	Information Sciences

S. No.	Subject	Journal Title
123	Artificial Intelligence, Computer Science Applications, Hardware and Architecture, Information Systems, Software	Information Systems
124	Hardware and Architecture, Software, Electrical and Electronic Engineering	Integration
125	Mechanical Engineering	International Communications in Heat and Mass Transfer
126	Mechanical Engineering, Mechanics of Materials	International Journal of Adhesion and Adhesives
127	Artificial Intelligence, Computer Science Applications, Information Systems, Electrical and Electronic Engineering	International Journal of Approximate Reasoning
128	Human-Computer Interaction	International Journal of Child-Computer Interaction
129	Computer Networks and Communications, Computer Science Applications, Hardware and Architecture, Civil and Structural Engineering, Electrical and Electronic Engineering, Safety, Risk, Reliability and Quality	International Journal of Critical Infrastructure Protection
130	Artificial Intelligence, Computational Theory and Mathematics, Computer Networks and Communications, Electrical and Electronic Engineering	International Journal of Electrical Power & Energy Systems
131	Engineering (General)	International Journal of Engineering Science
132	Mechanical Engineering, Mechanics of Materials	International Journal of Fatigue
133	Mechanical Engineering	International Journal of Heat and Fluid Flow
134	Mechanical Engineering	International Journal of Heat and Mass Transfer
135	Artificial Intelligence, Human-Computer Interaction, Industrial and Manufacturing Engineering	International Journal of Human-Computer Studies
136	Mechanical Engineering, Mechanics of Materials	International Journal of Impact Engineering
137	Industrial and Manufacturing Engineering	International Journal of Industrial Ergonomics
138	Industrial and Manufacturing Engineering, Mechanical Engineering	International Journal of Machine Tools and Manufacture
139	Mechanical Engineering, Mechanics of Materials	International Journal of Mechanical Sciences
140	Computer Science Applications, Information Systems	International Journal of Medical Informatics
141	Mechanical Engineering	International Journal of Multiphase Flow
142	Mechanical Engineering	International Journal of Non-Linear Mechanics
143	Mechanical Engineering, Mechanics of Materials	International Journal of Plasticity
144	Mechanical Engineering, Mechanics of Materials	International Journal of Pressure Vessels and Piping
145	Industrial and Manufacturing Engineering	International Journal of Production Economics
146	Civil and Structural Engineering	International Journal of Project Management
147	Mechanical Engineering	International Journal of Refrigeration

S. No.	Subject	Journal Title
148	Mechanics of Materials	International Journal of Rock Mechanics and Mining Sciences
149	Civil and Structural Engineering, Mechanical Engineering, Mechanics of Materials	International Journal of Solids and Structures
150	Mechanical Engineering	International Journal of Thermal Sciences
151	Biomedical Engineering	Irbm
152	Biomedical Engineering	IRBM News
153	Control and Systems Engineering, Electrical and Electronic Engineering	ISA Transactions
154	Information Systems	ISPRS Journal of Photogrammetry and Remote Sensing
155	Biomedical Engineering	Journal of Biomechanics
156	Computer Science Applications	Journal of Biomedical Informatics
157	Civil and Structural Engineering	Journal of Building Engineering
158	Computational Mathematics, Applied Mathematics	Journal of Computational and Applied Mathematics
159	Computer Science Applications	Journal of Computational Physics
160	Computational Theory and Mathematics, Computer Networks and Communications, Computer Science Applications, Human-Computer Interaction, Information Systems, Software	Journal of Computational Science
161	Computational Theory and Mathematics	Journal of Computer and System Sciences
162	Computer Science (General)	Journal of Computer Languages
163	Civil and Structural Engineering, Mechanical Engineering	Journal of Constructional Steel Research
164	Electrical and Electronic Engineering	Journal of Electrostatics
165	Mechanical Engineering	Journal of Fluids and Structures
166	Computer Networks and Communications, Computer Science Applications, Information Systems	Journal of Information Security and Applications
167	Computer Science Applications, Information Systems	Journal of Informetrics
168	Computational Theory and Mathematics, Software	Journal of Logical and Algebraic Methods in Programming
169	Safety, Risk, Reliability and Quality	Journal of Loss Prevention in the Process Industries
170	Industrial and Manufacturing Engineering	Journal of Manufacturing Processes
171	Control and Systems Engineering, Industrial and Manufacturing Engineering	Journal of Manufacturing Systems
172	Industrial and Manufacturing Engineering, Mechanical Engineering	Journal of Materials Processing Technology
173	Computer Graphics and Computer-Aided Design	Journal of Molecular Graphics and Modelling

S. No.	Subject	Journal Title
174	Computer Networks and Communications	Journal of Network and Computer Applications
175	Mechanical Engineering	Journal of Non-Newtonian Fluid Mechanics
176	Computational Theory and Mathematics, Computer Networks and Communications, Computer Science Applications, Hardware and Architecture, Software, Control and Systems Engineering	Journal of Parallel and Distributed Computing
177	Control and Systems Engineering, Industrial and Manufacturing Engineering	Journal of Process Control
178	Safety, Risk, Reliability and Quality	Journal of Safety Research
179	Civil and Structural Engineering, Mechanical Engineering	Journal of Sound and Vibration
180	Computer Networks and Communications, Computer Science Applications, Information Systems, Software	Journal of Systems and Software
181	Computer Networks and Communications, Computer Science Applications, Hardware and Architecture, Software, Control and Systems Engineering	Journal of Systems Architecture
182	Mechanical Engineering	Journal of Terramechanics
183	Signal Processing, Control and Systems Engineering, Electrical and Electronic Engineering	Journal of the Franklin Institute
184	Biomedical Engineering, Mechanics of Materials	Journal of the Mechanical Behavior of Biomedical Materials
185	Mechanical Engineering, Mechanics of Materials	Journal of the Mechanics and Physics of Solids
186	Computer Vision and Pattern Recognition, Electrical and Electronic Engineering	Journal of Visual Communication and Image Representation
187	Information Systems, Software	Journal of Web Semantics
188	Civil and Structural Engineering, Mechanical Engineering	Journal of Wind Engineering and Industrial Aerodynamics
189	Artificial Intelligence, Control and Systems Engineering	Knowledge-Based Systems
190	Ocean Engineering	Marine Policy
191	Civil and Structural Engineering	Marine Structures
192	Electrical and Electronic Engineering	Materials Science in Semiconductor Processing
193	Mechanics of Materials	Materials Today
194	Control and Systems Engineering	Mathematics and Computers in Simulation
195	Control and Systems Engineering, Electrical and Electronic Engineering	Measurement
196	Signal Processing, Mechanical Engineering	Mechanical Systems and Signal Processing
197	Mechanical Engineering, Mechanics of Materials	Mechanics of Materials
198	Mechanical Engineering, Mechanics of Materials	Mechanics Research Communications

S. No.	Subject	Journal Title
199	Industrial and Manufacturing Engineering, Mechanical Engineering	Mechanism and Machine Theory
200	Control and Systems Engineering, Electrical and Electronic Engineering, Mechanical Engineering	Mechatronics
201	Biomedical Engineering	Medical Engineering & Physics
202	Computer Graphics and Computer-Aided Design, Computer Science Applications, Computer Vision and Pattern Recognition, Biomedical Engineering	Medical Image Analysis
203	Hardware and Architecture, Electrical and Electronic Engineering	Microelectronic Engineering
204	Hardware and Architecture, Control and Systems Engineering, Electrical and Electronic Engineering	Microelectronics Journal
205	Hardware and Architecture, Control and Systems Engineering, Electrical and Electronic Engineering	Microelectronics Reliability
206	Computer Networks and Communications, Hardware and Architecture, Software, Control and Systems Engineering, Electrical and Electronic Engineering	Microprocessors and Microsystems
207	Computer Networks and Communications, Hardware and Architecture, Electrical and Electronic Engineering	Nano Communication Networks
208	Engineering (General)	Nano Today
209	Biomedical Engineering	Nanomedicine: Nanotechnology, Biology and Medicine
210	Civil and Structural Engineering, Mechanical Engineering	NDT & E International
211	Computer Networks and Communications, Computer Science Applications, Software	Network Security
212	Artificial Intelligence, Engineering (General)	Neural Networks
213	Artificial Intelligence	Neurocomputing
214	Engineering (General)	Nonlinear Analysis
215	Control and Systems Engineering	Nonlinear Analysis: Hybrid Systems
216	Engineering (General)	Nonlinear Analysis: Real World Applications
217	Civil and Structural Engineering, Mechanical Engineering, Safety, Risk, Reliability and Quality	Nuclear Engineering and Design
218	Ocean Engineering	Ocean & Coastal Management
219	Ocean Engineering	Ocean Engineering

S. No.	Subject	Journal Title
220	Computer Networks and Communications, Signal Processing, Electrical and Electronic Engineering	Optical Fiber Technology
221	Computer Networks and Communications, Control and Systems Engineering, Electrical and Electronic Engineering	Optical Switching and Networking
222	Electrical and Electronic Engineering	Optics & Laser Technology
223	Electrical and Electronic Engineering	Optics and Lasers in Engineering
224	Engineering (General)	Optik
225	Computer Science Applications, Hardware and Architecture, Control and Systems Engineering	Parallel Computing
226	Computer Vision and Pattern Recognition, Signal Processing, Electrical and Electronic Engineering	Pattern Recognition
227	Computer Vision and Pattern Recognition, Electrical and Electronic Engineering	Pattern Recognition Letters
228	Computer Networks and Communications, Hardware and Architecture, Software	Performance Evaluation
229	Computer Networks and Communications, Computer Science Applications, Hardware and Architecture, Control and Systems Engineering	Pervasive and Mobile Computing
230	Computer Networks and Communications, Computer Science (General), Computer Science Applications, Hardware and Architecture	Physical Communication
231	Industrial and Manufacturing Engineering, Mechanical Engineering	Precision Engineering
232	Mechanical Engineering	Probabilistic Engineering Mechanics
233	Mechanical Engineering	Proceedings of the Combustion Institute
234	Aerospace Engineering	Progress in Aerospace Sciences
235	Mechanical Engineering	Progress in Energy and Combustion Science
236	Mechanical Engineering, Safety, Risk, Reliability and Quality	Reliability Engineering & System Safety
237	Civil and Structural Engineering	Renewable Energy
238	Artificial Intelligence, Computer Science Applications, Computational Mechanics, Control and Systems Engineering	Robotics and Autonomous Systems
239	Artificial Intelligence, Control and Systems Engineering, Industrial and Manufacturing Engineering	Robotics and Computer-Integrated Manufacturing
240	Safety, Risk, Reliability and Quality	Safety Science
241	Engineering (General)	Science Bulletin
242	Computational Theory and Mathematics, Software	Science of Computer Programming

S. No.	Subject	Journal Title
243	Electrical and Electronic Engineering, Mechanical Engineering	Sensors and Actuators A: Physical
244	Electrical and Electronic Engineering	Sensors and Actuators B: Chemical
245	Signal Processing, Electrical and Electronic Engineering	Signal Processing
246	Computer Vision and Pattern Recognition, Signal Processing, Electrical and Electronic Engineering	Signal Processing: Image Communication
247	Computer Science (General), Control and Systems Engineering	Simulation Modelling Practice and Theory
248	Civil and Structural Engineering	Soil & Tillage Research
249	Civil and Structural Engineering	Soil Dynamics and Earthquake Engineering
250	Electrical and Electronic Engineering	Solid-State Electronics
251	Signal Processing, Electrical and Electronic Engineering	Speech Communication
252	Civil and Structural Engineering, Mechanical Engineering, Safety, Risk, Reliability and Quality	Structural Safety
253	Civil and Structural Engineering, Mechanical Engineering, Safety, Risk, Reliability and Quality	Structures
254	Civil and Structural Engineering	Sustainable Cities and Society
255	Computer Science (General)	Sustainable Computing: Informatics and Systems
256	Engineering (General)	Sustainable Materials and Technologies
257	Engineering (General)	Sustainable Production and Consumption
258	Computer Science (General), Engineering (General)	Swarm and Evolutionary Computation
259	Control and Systems Engineering, Electrical and Electronic Engineering	Systems & Control Letters
260	Information Systems	Telecommunications Policy
261	Computer Networks and Communications, Computer Science Applications	Telematics and Informatics
262	Electrical and Electronic Engineering	The Electricity Journal
263	Computational Theory and Mathematics, Information Systems	The Journal of Strategic Information Systems
264	Mechanical Engineering, Mechanics of Materials	Theoretical and Applied Fracture Mechanics
265	Computational Theory and Mathematics	Theoretical Computer Science
266	Civil and Structural Engineering, Mechanical Engineering	Thin-Walled Structures
267	Civil and Structural Engineering	Transportation Research Part A: Policy and Practice
268	Computer Science Applications, Automotive Engineering	Transportation Research Part C: Emerging Technologies
269	Engineering (General), Mechanical Engineering	Tribology International
270	Civil and Structural Engineering	Tunnelling and Underground Space Technology

S. No.	Subject	Journal Title
271	Computer Networks and Communications, Information Systems, Automotive Engineering	Vehicular Communications
272	Mechanical Engineering	Wear
273	Computer Science Applications	World Patent Information
274	Mechanical Engineering	World Pumps
275	Biomedical Engineering	Zeitschrift für Medizinische Physik
