REGISTRATION ENDS ON DEC 5 - 4 P.M

Technical Quiz

on 7th December 2021 at 3:00 P.M IST

A Technical quiz was organized on 7th December 2021 at 3:00 P.M IST in Room No ECE345 by the Indian Society of technical education student chapter, Velagapudi Ramakrishna Siddhartha Engineering College, Vijayawada, Andhra Pradesh. Total 29 Teams attended the technical quiz with a team size of three members each. Four rounds are conducted to finalize the winners and runners.

Round 1 : Technical Knowledge Test

In the first round, a written test with 20 questions with multiple choices from different topics was conducted to test the technical knowledge of the students. Total 29 teams were appeared for this round and the students are instructed to answer the questions within a span of 10 minutes. The answers were evaluated by the student coordinators and the highest scored top 10 teams were granted the opportunity of participating in the second round.

Total teams participated in the first round

Round -2 : Current affairs

In the second round, participants luck was kept in test, team captains are requested to select a slip among the given slips which contain numbers related to particular topic then the teams were asked to answer the question regarding the topics they got. Students were given 90 second to answer five questions. Out of 10 teams 6 teams were selected for the third round.

Teams participated for the Round -2

Round -3 : Logos Identification

In the third round two logos of different companies were displayed for each team on the screen and the team captains are requested to depict the logo displayed. The team captain needs to depict the logos within a span of 60 seconds. Out of 6 teams 3 teams were promoted to the fourth round.

Round -4: General Knowledge

In the fourth round, questions were asked on general knowledge, three teams were asked the questions at a time a team which answered more questions at a short period of time were declared as a winner.

Facing all the questions from the four rounds, paving their path to the last round and earning their own name **Teamsapphire** proved its strength, **Team Sapphire** was declared as the winning team.

It's been a wonderful day and a great start for the **ISTE student chapter** with a Technical quiz. Dheeraj, Shyam, Aravind, Naresh, Rajan, Teja, Preethi are the student coordinators for conducting this event. Dr. A. Jhansi Rani, Convenor of the Student chapter, Dr. G. Jamuna Rani, Dr. S. Srinivasulu Raju, Faculty coordinators of the program given the guidance and supervised the event for the successful completion.

Student coordinators with the final winner and runner team

Convenor and Faculty Coordinators of the event with participants

Webinar

on

Skill development, Carrier guidance, and power of the mind

(Organized by the **Indian Society of technical education student chapter**)

on 24th December 2021 at 9:00 A.M IST

Google Meet: <http://meet.google.com/ndd-ambh-ucg>

Objective:

The purpose of this webinar is to share the knowledge on career guidance practitioners and service managers to exchange knowledge, experiences and practices in an effort to understand how to address existing gaps.

The webinar will aim to shed light on:

- How career guidance services have adapted their response during the pandemic.
- Understanding the power of mind and utilising positive thinking for excellence.
- To develop a good perspective towards building a positive pattern and good behaviour.
- To create awareness amongst students on how to Improve work-life balance
- How can career guidance systems be improved to better help support individual careers during economic recovery
- To improve students' academic performance.
- To develop thinking skills, and the use of the six units as a framework for thinking.
- To develop well-rounded students: including physically, intellectually, socially and emotionally.
- To Build and Improve Professional Relationships and to inspire and help them define their personal pathway to career success.

Brief Report on “Skill development, Carrier guidance, and power of the mind”:

A webinar on the topic “Skill Development, Career Guidance, and power of the mind” was organized by the Indian Society of technical education student chapter student coordinators under the guidance of Dr.A.Jhansi Rani Convenor, Smt.P.Madhavi Latha Faculty coordinator, and invited speaker Dr.K.M.Prasad R&D Engineer in Enginia Research Inc., Winnipeg, Canada on 24th December 2021 at 9:00 A.M IST at Velagapudi Ramakrishna Siddhartha Engineering College, Vijayawada, Andhra Pradesh, India.

DR.K.M.Prasad, currently working as an R&D Engineer in Enginia Research Inc., Winnipeg, Canada from 2006 August. He was also a fellow member of professional societies such as IETE(India), IEE(India).

Dr.K.M.prasad was shared his experiences to the students, and he was elaborating about practical knowledge as Practical or informal knowledge manifests itself as skills or “knowing-how”. Every individual needs to possess sufficient knowledge to lead his life smartly and successfully. It does not matter if you are a student, professional, or businessman. Knowledge is something very important in the life of an individual. Gaining theoretical knowledge is important but without practical knowledge, it is of no use. Practical knowledge empowers an individual to achieve something that he has been studying.

He then explained the need for soft skills and communication skills that they play a crucial role in a person's life whether for his/her higher studies or for securing a job. Prasad sir also elaborated the major soft skills such as leadership qualities, Teamwork, Work ethics that are a must and their benefits.

He also said there is a need to have mindfulness and explained the positive impact of having mindfulness such as, How mindfulness helps us to regulate emotions, How to apply mindfulness, How to avoid stress in a world.

Targeted group:

- All student and faculty members of ISTE.

Number of Participants:

- All student and faculty members of ISTE, Enclosed in the form of Attendance Sheet

Workshop Outcome:

- Participants have understood the importance of Higher Education.
- Participants have understood the educational objectives in the present context.
- Participants have understood the power of mind and utilising positive thinking for excellence.
- Participants have understood that how to develop a good perspective towards building a positive pattern and good behaviour.
- Participants got the awareness on how to improve work-life balance and thinking skills, and the use of the six units as a framework for thinking.

Questioner:

After the session, students was asked many doubts , DR.K.M.Prasad was clarify and clear their doubts. The students and faculty members of ISTE share their opinion about the session.

Vote of Thanks:

The Webinar was ended by a Vote of Thanks given by a member of the ISTE Student chapter.

To achieve one dream we have to acquire knowledge that can only be achieved through practice & hard work. In today's world, we need practical knowledge, Technical skills and in addition to this, we need soft skills and more importantly communication skills. For both higher studies, and to secure a job, skills play a crucial role in a person's career.

Power of mind plays a major role in one learning process. Managing time may not seem like a major factor in the short term but makes a huge difference in the long run.

Report

General:

Event : Speak up (Elocution)
Date : 11th January 2022
Time : 3.00pm to 4.00pm
Venue : CE-II 105 Seminar Hall

Organizing Team:

Student Coordinators : Dheeraj, ECE; Shyam, IT;
Faculty Coordinator : M.Tej Sai, Asst. Professor, CE
Convener : Dr. Jhansi Rani, Professor, ECE
Participants : 13 students, 3 faculty (Dr.A. Jhansi Rani, Dr.Jamuna Rani, M.Tej Sai)

Schedule:

3.00pm : Participants, ISTE faculty coordinators and the judge reached the venue and got seated.
3:02 pm : Rajan, CE student, host for the event gave a brief introduction regarding the rules for the event and invited the first participant onto the dais.
3:50 pm : The judge declared the results and gave suggestions to students
4:00 pm : Group photo

Summary:

The theme of the event is *“What makes a man great & another weak”*. As the event is restricted to the ISTE student members only, 24 students have enrolled for the event. Among them 13 students had participated in the event. Dr.B.Neelambaram, Assistant Professor, English Dept. was deputed as the judge. The participants expressed their views enthusiastically. The judge evaluated the participants based on their fluency, coherence, grammatical range, accuracy and pronunciation. D.Adarsh (208W1A05E2) 2nd year CSE gave an outstanding speech and was awarded the first prize. During the results declaration, the judge appreciated all the participants for the participation and said that all the participants performed well and secured nearby marks which made him difficult to give the judgment.
