V.R.SIDDHARTHA ENGINEERING COLLEGE

Monday, 15th June 2020

Agenda

1. A) Action plan on conduct of class work for 2020-21 academic year, till normal conditions revive.
2. Precautions / measures in the campus against COVID19 unlock
3. Any other item with the permission of Chairman

A) Action plan on conduct of class work for 2020-21 academic year, till normal conditions revive.

Here are some popular methods of online classes, instead of simple Power point Presentations.

- Paper based teaching
- White board based teaching
- Teaching using Tablet

➤ **Paper based teaching:**

Camera focusing on paper & write on it and lecturing

➤ White board based teaching:

Camera focusing on white board along with faculty, while lecturing

➤ Teaching using Tablet :

Using Stylus pen / slides in tab
to avoid paper.

Senior Faculty will teach, while junior faculty will monitor the students.

2.Precautions / measures in the campus against COVID19 unlock

Directions to take necessary precautions against COVID during unlock for the safety of the people who are visiting to the institute.

Dr Ch Srinivas, HOD, CE is requested to take up the above job.

Any other item with the permission of
Chairman

THANK YOU
