GUIDELINES FOR ATTENDING SEMESTER END EXAMINATIONS

In view of the emerging situation related to COVID-19 Pandemic, the college has planned certain measures and guidelines for conducting the examinations for B.Tech VI semester and MCA, MBA & M.TE-III semesters. Each and every student must follow the guidelines during the period of examination that results in a healthy environment in the campus.

The students are advised to park their vehicles as guided by the security staff.

The seating arrangement is displayed in three prominent places for the convenience of students and to avoid mass gathering.

The students are subjected to thermal screening and sanitization before they enter the examination halls.

Collective gatherings of any sort is prohibited. Social distancing shall be maintained while entering and leaving the campus.

Isolated examination halls are arranged for the students whose temperature is more than normal and any other health issues as reported by the students.

Examination halls and seating area of students are sanitized every day before and after the examination.

Seating arrangement in each examination hall is restricted to a strength of 15 candidates.

Hall tickets will be issued to the candidates by invigilators in the examination halls. Students with any type of dues shall collect their hall tickets from the administrative and hostel office only after clearing the dues.

Candidates are not allowed into the examination halls without wearing masks.

Drinking water is not supplied in the examination halls. Own drinking water bottles are permitted to the examination halls.

The students can possess sanitization bottles and can wear glouses.

Mobiles or electronic gadgets are not allowed to the examination halls

Students are not allowed to dump their bags and luggage near examination halls.

Emergency medicines are available at the examination section / admin office
