Dear Sir/Madam,

Sub: Guest Talk on "Data Sciences & its Applications" on 20th
August 2019-Reg.

We are glad to inform you that the CSE
Department is organizing a Guest Talk on "Data
Sciences & its Applications" on 20th August 2019 in collaboration
with UNIAWAY.

The aim of this Guest Talk is to enhance
scientific methods, processes, algorithms and
systems to extract knowledge and insights from
structured and unstructured data.

You are kindly requested to circulate the
information brochure among the faculty of your
college/Department suggesting them to attend this
guest talk.

We look forward to your whole hearted
cooperation in making this Guest Talk a grand
success.

Thanking You,

With kind regards
Dr. D. Rajeswara Rao

Dear Sir,

Greetings!!!

I would like to take this opportunity to express my heartfelt thanks to you for giving us the opportunity to conduct a seminar on AI & ML. We really appreciate the 2 hours time that we spent working with you and the students, on both a professional and personal level. We have certainly learned a lot about the unique aspects of your interest and planning to help the students in building a strong technical knowledge by working on projects, which helps them to drive very confidently in their career and jobs.

We look forward towards the schedule in advance for the 2 days workshop as discussed in our meetings.

Thanks & Regards,

Madhu Pandilla

Data Science and its Applications in Today's world

About UniAway: UniAway provides end to end career solutions and program (course) counselling to students who are aspiring to study abroad. We help them to pick their programs and universities based on student profiles with the use of advanced technology and machine learning.

UniAway's distinct specialty is that we have a student centric model that handpicks the right programs and courses for the overseas aspirants. We consider the minute and detailed attributes of students like the areas he or she is interested in, academic achievements, financial situation, health and wellness data, present industry inclinations and current job trends. All of this at no cost to the students. Our technology and sophisticated machine learning algorithms make all this possible.

Seminar Topic: *Data Science and its Applications in Today's world*
