A Report on Webinar titled

"Roadmap for Industry Ready Skill Development"

Under AICTE Margdarshan

Organized by

Department of Computer Science & Engineering

V.R.Siddhartha Engineering College

26th June 2021

The IQAC-Internal Quality Assurance Cell & Department of Computer Science and Engineering, V R Siddhartha Engineering College, Vijayawada, Andhra Pradesh, organized a Webinar on "Roadmap for Industry Ready Skill Development" on 26th June 2021 at 5 PM under AICTE Margdarshan. The webinar started with a brief introduction about the speaker by Dr. Ramesh and The resource Person Shri. Jaikrishna Chinnaiyan Sadhasivam, Program Manager, Infosys Limited, USA, Hong Kong & India, explored the current trends in software engineering industry skillset and students expertise required to do better in the modern software industry. He also studied agile methodology, and it's essential in a corporate career. The target Audiences are Faculty & Students from CSE, IT, ECE & MCA Branches, and 250 participated in the event. The E-Certificates were issued to all active participants who attend the whole session & concluded with Q&A.

Objectives of the Program:

- This webinar to understand the gap between industry-skilled requirements and student's professional expertise.
- To identify other agile software development and certifications for fresh graduates.
- To explore the different skilled-oriented online platforms to learn and acquire specific domain knowledge.
