

## VRSEC :: Department of Computer Science and Engineering

### Report on “Role & Significance of Patents in Academia”

05-12-2020

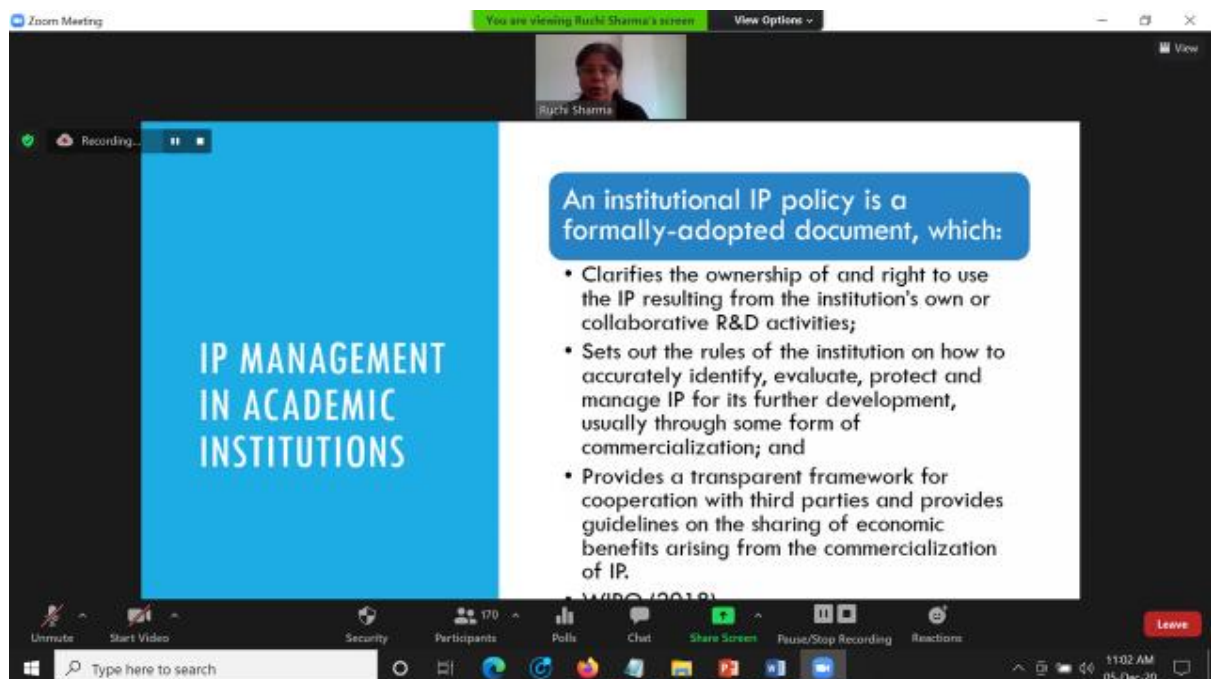

The IQAC & Department of CSE has organized a One Day Webinar on “**Role & Significance of Patents in Academia**” on 5<sup>th</sup> December 2020 under AICTE Margdarshan. A total of 180 faculty from colleges around the country has attended the program.

Minutes of One Day ONLINE Seminar on “**Role & Significance of Patents in Academia**” on 5th Dec 2020 under AICTE Margdarshan Scheme by **Dr. Ruchi Sharma**, Associate Professor, School of Humanities and Social Sciences, IIT Indore, Simrol, M.P has acted as the resource person for this one day seminar.

- The Seminar starts the scheduled dated on 05th December 2020 at 10:00 AM through ZOOM Platform
- Where the following points were discussed detailed
  - Concepts of IPR’s
    - Industrial properties, Copyrights and related rights (statuary IPR’s and Territorial nature of IPRs)
    - Fee
  - Key Issues IPR’s
  - Explained about differentiation Industry and academic patents
  - Importance of the patents in the future

- How to convert academic projects towards the patents
- How to generate revenue from the patents

- Participants are raised following queries where Dr. Ruchi Sharma addressed them
  - Question: Traditionally the role of teachers or Academia has been to impart knowledge to student community. However, with changing scenario at global level, this new role of innovator is taken up. In this context how the concept of 'Patents and Intellectual Property' must arise at all levels of education starting from Primary education to the Higher education sector?

**By Prashant Revankar**

- Mam, being a budding researcher, how one can make sure one's idea is not yet patented. I mean how to check published patents authentically.

**By Vidya Ch**

- which is having more weightage Paper publication or patent

**By Karthikeyan R**

- Madam, how are patents relevant for Management discipline? Can you please quote any instances of Patents in Management field? For example, HR.

**By Srinivas Lakkoju**

**Types of IPRs**

```

graph TD
    IPRs[IPRs] --> IP[Industrial Property]
    IPRs --> CR[Copyrights and Related Rights]
    IP --> Pat[Patents]
    IP --> ID[Industrial Designs]
    IP --> TM[Trademarks]
    CR --> GI[Geographical Indications]
    Pat --- SPI[Statutory IPRs]
    GI --- TNP[Territorial Nature of IPRs]
  
```

10:48 AM 05-Dec-20

- Though I Will publish my idea even after filling patent? What about copy right asked by the publisher?
- Whether patent should be filled after publication of idea in a Journal?  
**By Dr. K. Muthumanickam**
- Madame, statistics indicate that patents filed in India are less compared to global numbers. Is it due the dearth in Innovative thought or cost or spending we do to research?
- How do we connect Patents and Philanthropy?

**By Prashant Revankar**

**And more all queries were clarified by Dr. Ruchi Sharama**
