Dear Alumni,

Welcome to the 2017-18 issue of the VRSEC Alumni news.

Alumni of an organization reflects its past, represents its present, and a link to its future. Alumni are the ambassadors of an institute, the product of the institute given to the outside world. An institute becomes famous through its illustrious alumni, and existing students emulate the successful alumni as their role models.

VRSEC was established in 1977. The Alumni Association of V.R.Siddhartha Engineering College had a modest beginning in the late nineties and fortified its wings in 2003. The same year marked the period of standardization in terms of its registration as a society named as VR Siddhartha Engineering College Old Students Association (VRSECOSA). It is from 2006 onwards an annual grand Silver Jubilee event of respective passed out batch is being celebrated in the third week of December.

VRSECOSA initiated several programmes for the benefit of students, out of which the one is a prestigious scholarship program, "Siddhartha Sahaaya." Under this program, meritorious and economically needy students are being identified and selected in the first year of their Engineering program and is awarded Rs. 15000/- per year towards living expenses and gets continued for four years of the program. Siddhartha Sahaya scholarships started with seven students during the academic year 2009-10 and reached 130 students by the year 2017-18.

Newsletters and communique are crucial vehicles for keeping our alumni updated about such happenings and many more in the institute. We are delighted and proud of your achievements and would like to have your involvement with your VRSECOSA in all possible meaningful ways. Your support for guest lectures, Endowment lectures, involvement in setting up incubation centres, collaborative labs, sharing your experiences, giving guidelines to the future, updating with new technologies, internships, and advice in the development of the curriculum is most welcome.

Once again, we look forward to hearing from you. If you wish to submit information on 'Alumni in news', including your achievements, want to be put in the mailing list, or want to say hi, please drop us a line at principal@vrsiddhartha.ac.in.

Dr.A.V. Ratna Prasad
Principal

ALUMNI REUNION 2017 - 23RD DECEMBER

Sri N. Venkateswarlu, President, Siddhartha Academy cherished the indomitable spirit of alumni in evolving their alma mater as the best institution through their dynamic efforts. He gave a clarion call to the alumni, stating that their role is essential in making the students much more competitive and for taking the institution at par with the premiere institutions in the country.

Sri M.Rajayya, Convenor of VRSEC & Vice President, Siddhartha Academy appreciated the efforts of the alumni and shared that their sustained interaction as well as the concrete endeavours aid in achieving all round development of the college. He exhorted them to visit the institution frequently to enrich the current students with their expertise and empirical experiences as they will be exemplary to the budding technocrats in making innovations.

The alumni is an asset to an institute and their contributions and involvement can significantly increase the reputation of the institution nationally and internationally, appreciated Dr.A.V.Ratna Prasad, Principal (who was an alumnus of 1985-89 batch) while addressing the alumni. He shared that manufacturing industry across the globe is currently witnessing a fourth industrial revolution, known as industry 4.0 where real and virtual systems are seamlessly connected giving rise to cyber physical systems. He urged the alumni to have continuous repo with the college.

Sri. P. Ravi kumar, President ,VRSECAumniAssociation in his note presented the various activities taken up by the Alumni Association. He requested all the alumni to actively contribute and participate in various activities of the Association which will lead to overall development of the college.

K. Anil, representative of silver Jubilee Batch expressed his happiness and thanked all the alumni who were present for the REUNION. He felt that their stay in VRSEC made them to settle in their life and wished to see the institution reach greater heights with the involvement and cooperation of Alumni

Dr. S.Srinivas Kumar, Vice-Chancellor, JNTU, Anantapuramu, an alumnus of ECE 1980-84 batch who was conferred Distinguished Alumnus award-2017 expressed his gratitude for conferment of the award. He promised to extend his all the possible support for the development of the college.
