# International Conclave on ATMANIRBHAR BHARAT

Role of New Education Policy

4-5, December-2021  
EXPO: 3-5, December-2021

Organized by

In Association with

[www.vrsiddhartha.ac.in](http://www.vrsiddhartha.ac.in)

## About the College:

Velagapudi Ramakrishna Siddhartha Engineering College (Autonomous) sponsored by Siddhartha Academy of General and Technical Education was established in the year 1977 as the pioneer among private technical institutions in the combined state of Andhra Pradesh and is ideally located in a vast expanse of 44 acres of land in the city of Vijayawada.

The faculty, totalling 350 at present, comprises well qualified with varied experience and background. The faculty members take interest in continuing education and are actively engaged in research work and publish their findings regularly in Internationally reputed journals and present in conferences. The college received R&D grants from TIFAC, TEQIP, DST, DRDO, AICTE, UGC, ISRO, RVNL etc., and handled projects worth more than Rs. 10.0 Crores.

The college is an Autonomous institution affiliated to JNTUK, ISO 9001:2015 certified and accredited with NAAC with 'A+' grade. All UG and eligible PG programs are accredited NBA in OBE Tier I format approved by Washington Accord.

## About the Conclave:

Atmanirbhar Bharat, the most comprehensive and an all encompassing vision for achieving self reliant India has already been heading the nation into the realms of inclusive growth leading towards the Antyodaya in the true and utmost sense of the term. On the other hand, the New Education Policy-2020 which is expected to be the dawn of an era has already donned relevant and revolutionary changes in the perspectives and practices in the domain of education, and the field of technical education is no exception to the positive metamorphosis which is being realized overcoming the illusive, if not elusive, Crossroad phenomenon of the yesteryears thanks to the pragmatic provisions enshrined in the NEP-2020. With this backdrop, the conclave aims at creating a platform for the professionals, both Practising and Prospective, for undertaking fruitful deliberations not only regarding the deft implementation of tenets of the policy but also pertaining to the advances to be made to make Bharat the Intellectual Capital of the world again. Plans are afoot to have about 200 delegates including Heads of the Institutions of technical education of our country & abroad in the conclave.
