Dear Student,

Good Morning.

As was announced, students of all branches shall have an assessment today from 7 Am.

The assessment shall be open from 7:00 AM through 10:00 AM today on 05 Oct 2020.

Basing on the potential you display, you shall be segregated into groups. Both the groups shall undergo training - to develop competencies in the IT field.

This is given to all students irrespective of the stream (branch) you belong to, from 7 AM till 9 AM everyday on all working days till the end of 6th semester. In case if you are found to be lagging, you shall be put through training on Sundays as well.

Training dates:

Module I Training: 06-10-2022 to 06-11-2020

Module II Training: 21-12-2020 to 30-01-2021

Advanced Training for Super dream packages: 01-02-2021 to 15-03-2021

Once started, you will have 120 Minutes to complete the test
